Re: Recapitulation of 2018 Tax Roll

Dear Chairman Williams,

Attached you will find the DR 505 Recapitulation of Errors and Insolvencies for the 2018 tax roll collected by this office. The Statutes were recently changed and no longer require the Board to examine, sign, and return the original to our office. We are providing the Board with a copy of the DR 505 for your records.

This DR 505 form list all of the corrections, errors, insolvents and discounts that were made against the tax roll. A list of those adjustments are included with the DR 505 form. All corrections to the Non-Ad Valorem roll are filed with Code Enforcement and may be reviewed at any time.

Our office is also required to file the DR 502 Recapitulation of the Tax Roll with the Department of Revenue. We have also included a copy of this Recapitulation for your records.

Please do not hesitate to call if you have any questions or concerns.

Sincerely,

Ronnie Brannon, Tax Collector

Tax Collector Recapitulation

I, Ronnie Brannon, Tax Collector of Columbia County, Florida, certify this is a report of all discounts, errors, double assessments, insolvencies, and federal bankruptcies on the assessment roll for 2018; that the discounts were actually earned for the month as shown; that the attached list shows all errors and double assessments as the property appraiser certified; that I have allowed no exemptions, other than those the attached list shows as certified by the property appraiser; that each item marked insolvent on the attached list is in fact insolvent and, although I have made a diligent search, I have been unable to find the tangible personal property to levy on to enforce the payment of the tax; and that I have not collected any of the items on the attached list.

I am entitled to credit against the 2018 assessment roll on the following amounts:

Discounts	\$(1,866,319.23)

Low Income Pool Letter of Agreement

THIS LETTER OF AGREEMENT (LOA) is made and entered into in duplicate on the 20th day of September 2018, by and between **Columbia County Board of County Commissioners** (the "Board") on behalf of **Palms Medical Group**, and the State of Florida, **Agency for Health Care Administration** (the "Agency"), for good and valuable consideration, the receipt and sufficiency of which is acknowledged.

DEFINITIONS

"Charity care" or "uncompensated charity care" means that portion of hospital charges reported to the Agency for which there is no compensation, other than restricted or unrestricted revenues provided to a hospital by local governments or tax districts regardless of the method of payment. Uncompensated care includes charity care for the uninsured but does not include uncompensated care for insured individuals, bad debt, or Medicaid and CHIP shortfall. The state and providers that are participating in LIP will provide assurance that LIP claims include only costs associated with uncompensated care that is furnished through a charity care program and that adheres to the principles of the HFMA operated by the provider.

"Intergovernmental Transfers (IGTs)" means transfers of funds from a non-Medicaid governmental entity (e.g., counties, hospital taxing districts, providers operated by state or local government) to the Medicaid agency. IGTs must be considered a bona fide donation pursuant to 42 CFR § 433.54.

"Low Income Pool (LIP)" means providing government support for safety-net providers for the costs of uncompensated charity care for low-income individuals who are uninsured. Uncompensated care includes charity care for the uninsured but does not include uncompensated care for insured individuals, "bad debt," or Medicaid and CHIP shortfall.

"Medicaid" means the medical assistance program authorized by Title XIX of the Social Security Act, 42 U.S.C. §§ 1396 et seq., and regulations thereunder, as administered in Florida by the Agency.

A. GENERAL PROVISIONS

1. Per House Bill 5001, the General Appropriations Act of State Fiscal Year 2018-2019, passed by the 2018 Florida Legislature, the Board and the Agency agree that the Board will remit IGT funds to the Agency in an amount not to exceed the total of **\$48,500**.
 - a. The Board and the Agency have agreed that these IGT funds will only be used to increase the provision of health services for the charity care of the Board and the State of Florida at large.
 - b. The increased provision of charity care health services will be accomplished through the following Medicaid programs:
 - i. LIP payments to hospitals, federally qualified health centers, Medical School Physician Practices, community behavioral health providers, and rural health centers pursuant to the approved Centers for Medicare & Medicaid Services Special Terms and Conditions.

2. The Board will return the signed LOA to the Agency no later than October 1, 2018.
3. The Board will pay IGT funds to the Agency in an amount not to exceed the total of **\$48,500**. The Board will transfer payments to the Agency in the following manner:
 - a. Per Florida Statute 409.908, annual payments for the months of July 2018 through June 2019 are due to the Agency no later than October 31, 2018 unless an alternative plan is specifically approved by the agency.
 - b. The Agency will bill the Board when payment is due.
4. The Board and the Agency agree that the Agency will maintain necessary records and supporting documentation applicable to health services covered by this LOA.
 - a. Audits and Records
 - i. The Board agrees to maintain books, records, and documents (including electronic storage media) pertinent to performance under this LOA in accordance with generally accepted accounting procedures and practices, which sufficiently and properly reflect all revenues and expenditures of funds provided.
 - ii. The Board agrees to assure that these records shall be subject at all reasonable times to inspection, review, or audit by state personnel and other personnel duly authorized by the Agency, as well as by federal personnel.
 - iii. The Board agrees to comply with public record laws as outlined in section 119.0701, Florida Statutes.
 - b. Retention of Records
 - i. The Board agrees to retain all financial records, supporting documents, statistical records, and any other documents (including electronic storage media) pertinent to performance under this LOA for a period of six (6) years after termination of this LOA, or if an audit has been initiated and audit findings have not been resolved at the end of six (6) years, the records shall be retained until resolution of the audit findings.
 - ii. Persons duly authorized by the Agency and federal auditors shall have full access to and the right to examine any of said records and documents.
 - iii. The rights of access in this section must not be limited to the required retention period but shall last as long as the records are retained.
 - c. Monitoring

- i. The Board agrees to permit persons duly authorized by the Agency to inspect any records, papers, and documents of the Board which are relevant to this LOA.

d. Assignment and Subcontracts

- i. The Board agrees to neither assign the responsibility of this LOA to another party nor subcontract for any of the work contemplated under this LOA without prior written approval of the Agency. No such approval by the Agency of any assignment or subcontract shall be deemed in any event or in any manner to provide for the incurrence of any obligation of the Agency in addition to the total dollar amount agreed upon in this LOA. All such assignments or subcontracts shall be subject to the conditions of this LOA and to any conditions of approval that the Agency shall deem necessary.
5. The Board and the Agency agree that any modifications to this LOA shall be in the same form, namely the exchange of signed copies of a revised LOA.
 6. The Board confirms that there are no pre-arranged agreements (contractual or otherwise) between the respective counties, taxing districts, and/or the providers to re-direct any portion of these aforementioned charity care supplemental payments in order to satisfy non-Medicaid, non-uninsured, and non-underinsured activities.
 7. The Board agrees the following provision shall be included in any agreements between the Board and local providers where IGT funding is provided pursuant to this LOA: "Funding provided in this Agreement shall be prioritized so that designated IGT funding shall first be used to fund the Medicaid program (including LIP or DSH) and used secondarily for other purposes."
 8. This LOA covers the period of July 1, 2018 through June 30, 2019 and shall be terminated June 30, 2019.
 9. This LOA may only be amended upon written agreement signed by both parties.
 10. This LOA may be executed in multiple counterparts, each of which shall constitute an original, and each of which shall be fully binding on any party signing at least one counterpart.

RE: PCO Welcome Center Renovations

Please see attached spreadsheet showing the difference in material cost and tax savings for the above project. The flooring, doors and electrical amounts under the **Trade** column in the original Revised Value Engineering had included the amounts listed under the **Alternate** Column which had already been included. They also had taxes included in the material price as did the toilet accessories, ACT and the HVAC. These material costs were taxed at 7%. The proper way to figure tax when doing direct purchases over \$5,000 is to use 6% and add \$50.00. All of the above has caused a difference in the actual tax savings as broken down in the attached spreadsheet. We ask that our contract be credited back for this difference of \$2,173.57.

At this time, we would respectfully request a 60 day time extension as there has been a long lead time in having the purchase orders sent to the vendors. Most were not received until 3/25 and the NTP was 2/12. The electrical submittals were also sent in January 14th and not approved until 3/26. These factors have caused delays in ordering supplies. We feel that with a 60 day extension we can have this project completed.

Respectfully submitted,

Mark Little

NOTICE TO APPLICANT

A special family lot permit may be issued by the Board of County Commissioners on land zoned Agricultural or Environmentally Sensitive Area within these Land Development Regulations, for the purpose of conveying a lot or parcel to an immediate family member who is the parent, grandparent, adopted parent, stepparent, sibling, child, or adopted child, stepchild or grandchild of the person who conveyed the parcel to said individual, **not to exceed one (1) dwelling unit per one (1) acre** and the lot complies with all other conditions from permitting development as set forth in these Land Development Regulations. This provision is intended to promote the perpetuation of the family homestead in rural areas by making it possible for immediate family members to reside on lots as their primary residence which exceed maximum density for such areas, provided that the lot complies with the conditions for permitting established in Section 14.9 of the Land Development Regulations.

If approved by the Board of County Commissioner, the division of lots shall be recorded by separate deed, comply with all other applicable regulations of the Land Development Regulations, and comply with all other conditions for permitting and development as set forth in the Land Development Regulations. A completed building permit application shall be submitted within one (1) year of receiving approval by the Board of County Commissioners. One (1) extension can be requested in writing and approved by the Land Development Regulations Administrator not to exceed nine (9) months. If a special family lot permit expires, it shall have to go through the process again for approval as required by this section. A building permit for a special family lot shall be issued only to the immediate family member or their authorized representative (i.e. licensed building contractor or mobile home installer) after a recorded copy of the family relationship residence agreement affidavit and deed to the special family lot has been submitted to the Land Development Regulation Administrator as part of the building permit application process.

Special family lots which have not met the requirements for homestead exemption shall not be transferable except, as follows:

1. The deeding of the parcel back to the original owner of the parent tract as indicated in Section 14.9 of the Land Development Regulations;
2. To another individual meeting the definition of immediate family member;
3. To an individual not meeting the definition of immediate family member due to circumstances beyond the reasonable control of the family member to whom the original special family lot permit was granted such as divorce, death or job change resulting in unreasonable commuting distances, the immediate family member is no longer able to retain ownership of the special family lot, subject to approval by the original reviewing body that approved the special family lot permit; and
4. Upon approval of the transfer of the special family lot, the County will issue a Certificate of Transfer and the owner shall record the certificate in the Public Records in the Clerk of the Courts Office. This process shall apply retroactively to special family lots previously created under the Land Development Regulations.

Any decision made by the Board of County Commissioners is subject to a 30 day appeal period as outlined in Article 12 of the Land Development Regulations. Any action taken by the applicant within the 30 day appeal period is at the applicant's risk. No Certificate of Occupancy shall be issued until the 30 day appeal period is over or until any appeal has been settled.

Upon the applicant obtaining a Certificate of Occupancy, the applicant must file for Homestead Exemption. Homestead Exemptions can be filed each year with the Columbia County Property Appraiser's Office from January 1 to March 31.

Once an application is submitted and paid for, a completeness review will be done to ensure all the requirements for a complete application have been met. If there are any deficiencies, the applicant will be notified in writing. If an application is deemed to be incomplete, it may cause a delay in the scheduling of the application before the Planning & Zoning Board.

THE APPLICANT ACKNOWLEDGES THAT THE APPLICANT OR AGENT MUST BE PRESENT AT THE PUBLIC HEARING BEFORE THE PLANNING AND ZONING BOARD, AS ADOPTED IN THE BOARD RULES AND PROCEDURES, OTHERWISE THE REQUEST MAY BE CONTINUED TO A FUTURE HEARING DATE.

I hereby certify that all of the above statements and statements contained in any documents or plans submitted herewith are true and accurate to the best of my knowledge and belief.

NOTICE TO APPLICANT

A special family lot permit may be issued by the Board of County Commissioners on land zoned Agricultural or Environmentally Sensitive Area within these Land Development Regulations, for the purpose of conveying a lot or parcel to an immediate family member who is the parent, grandparent, adopted parent, stepparent, sibling, child, or adopted child, stepchild or grandchild of the person who conveyed the parcel to said individual, **not to exceed one (1) dwelling unit per one (1) acre** and the lot complies with all other conditions from permitting development as set forth in these Land Development Regulations. This provision is intended to promote the perpetuation of the family homestead in rural areas by making it possible for immediate family members to reside on lots as their primary residence which exceed maximum density for such areas, provided that the lot complies with the conditions for permitting established in Section 14.9 of the Land Development Regulations.

If approved by the Board of County Commissioner, the division of lots shall be recorded by separate deed, comply with all other applicable regulations of the Land Development Regulations, and comply with all other conditions for permitting and development as set forth in the Land Development Regulations. A completed building permit application shall be submitted within one (1) year of receiving approval by the Board of County Commissioners. One (1) extension can be requested in writing and approved by the Land Development Regulations Administrator not to exceed nine (9) months. If a special family lot permit expires, it shall have to go through the process again for approval as required by this section. A building permit for a special family lot shall be issued only to the immediate family member or their authorized representative (i.e. licensed building contractor or mobile home installer) after a recorded copy of the family relationship residence agreement affidavit and deed to the special family lot has been submitted to the Land Development Regulation Administrator as part of the building permit application process.

Special family lots which have not met the requirements for homestead exemption shall not be transferable except, as follows:

1. The deeding of the parcel back to the original owner of the parent tract as indicated in Section 14.9 of the Land Development Regulations;
2. To another individual meeting the definition of immediate family member;
3. To an individual not meeting the definition of immediate family member due to circumstances beyond the reasonable control of the family member to whom the original special family lot permit was granted such as divorce, death or job change resulting in unreasonable commuting distances, the immediate family member is no longer able to retain ownership of the special family lot, subject to approval by the original reviewing body that approved the special family lot permit; and
4. Upon approval of the transfer of the special family lot, the County will issue a Certificate of Transfer and the owner shall record the certificate in the Public Records in the Clerk of the Courts Office. This process shall apply retroactively to special family lots previously created under the Land Development Regulations.

Any decision made by the Board of County Commissioners is subject to a 30 day appeal period as outlined in Article 12 of the Land Development Regulations. Any action taken by the applicant within the 30 day appeal period is at the applicant's risk. No Certificate of Occupancy shall be issued until the 30 day appeal period is over or until any appeal has been settled.

Upon the applicant obtaining a Certificate of Occupancy, the applicant must file for Homestead Exemption. Homestead Exemptions can be filed each year with the Columbia County Property Appraiser's Office from January 1 to March 31.

Once an application is submitted and paid for, a completeness review will be done to ensure all the requirements for a complete application have been met. If there are any deficiencies, the applicant will be notified in writing. If an application is deemed to be incomplete, it may cause a delay in the scheduling of the application before the Planning & Zoning Board.

THE APPLICANT ACKNOWLEDGES THAT THE APPLICANT OR AGENT MUST BE PRESENT AT THE PUBLIC HEARING BEFORE THE PLANNING AND ZONING BOARD, AS ADOPTED IN THE BOARD RULES AND PROCEDURES, OTHERWISE THE REQUEST MAY BE CONTINUED TO A FUTURE HEARING DATE.

MEMORANDUM

To: Board Agenda, June 20, 2019

From: Joel F. Foreman

Re: REVISED Contract for the Disposal of Waste Tires

Date: June 13, 2019

In February the Board approved a contract for the disposal of waste tires under an award of Bid 2019-A. Subsequently the prevailing bidder declined to accept a liquidated damages provision in the contract presented to it. Staff have discussed the matter and do not believe the liquidated damages provision is essential to the value of the contract to the county and wish to approve the contract without this provision in the contract.

The Board is not legally required to retain the liquidated damages provision in this contract.

Recommended Motion: To approve the Contract for the Disposal of Waste Tires as changed at the prevailing bidder's request .

**CONTRACT FOR THE
DISPOSAL OF WASTE TIRES
BID NO. 2019-A**

THIS CONTRACT (“Contract” or “Agreement”) is made this ____ day of February June 2019 by and between the BOARD OF COUNTY COMMISSIONERS OF COLUMBIA COUNTY, FLORIDA, (the “County”) and IMMAC POWER SOLUTIONS, INC., an ALABAMA C-Corporation with its principle address at 17224 LTRC LANE, ANDALUSIA ALABAMA 36420 hereinafter called “Contractor”.

WITNESSETH:

WHEREAS, the County put out for bid the provision of certain services to the County with accompanying instructions for the submission of bids under Bid No. 2019-A;

WHEREAS, the Contractor was determined as the most qualified responsive bidder to that solicitation for bids, and was selected as the prevailing bidder by the County on February 7, 2019; and

WHEREAS, the County and the Contractor desire to enter into an agreement for the provision of services by the Contractor to the County and the terms of payment by the County to the Contractor therefore, as well as other terms and conditions that shall govern the subject matter of this Contract;

NOW, THEREFORE, in consideration of the covenants and agreements hereinafter set forth, the parties agree as follows:

I. WASTE TIRE DISPOSAL:

The Contractor shall dispose of waste tires dumped at the Winfield Solid Waste Facility located in Columbia County, Florida. Acceptance of tires for off-site disposal shall occur as set forth in the bid documents for Bid No. 2019-A, which are attached hereto and made a part hereof as if fully set forth herein.

II. FEES FOR DISPOSAL

The Contractor shall be compensated at the rate of **\$40 per ton** or **\$460 per load** on a walking floor trailer. The County shall determine in the discretion of its landfill or operations staff which fee shall be applicable to any particular load.

III. PERMITS AND INSURANCE

Prior to commencement of disposal of any waste tires pursuant to this Agreement, the Contractor shall provide the County copies of all current and applicable permits together with all insurance documents set forth in the bid documents.

IV. INVOICING AND PAYMENT

The Contractor shall provide a unique detailed Invoice for each load of waste tires accepted by the Contractor from the Winfield Solid Waste Facility. The County shall make payment of all approved invoices to the Contractor in accordance with the Local Government Prompt Payment Act, Fla. Stat. section 218.70 et seq.

V. CONTRACTOR TO ARRANGE FOR DISPOSAL

The Contractor shall make all necessary and proper arrangements for disposal of waste tires prior to accepting any waste tires from the Winfield Solid Waste Facility.

~~VI. LIQUIDATED DAMAGES FOR FAILURE TO ACCEPT~~

~~The Contractor agrees that its failure to accept waste tires for disposal in accordance with this Agreement and the bid documents shall will likely cause the County to incur unknowable and indeterminate damages. The parties agree that the Contractor shall pay as damages for such delay the amount of \$50 per day of delay when that delay is due only to an affirmative refusal by the Contractor to accept waste tires. Delays due to weather, natural disasters, acts of God, or other events beyond the control of either party the Contractor (involuntary refusals) shall not be subject to damages under this part.~~

Unless terminated by giving notice under this part, this Agreement shall renew for up to four successive one-year terms, for a total of five (5) years. Up to one hundred eighty (180) days but not fewer than thirty (30) days prior to the end of the initial or any subsequent term of this Agreement, Contractor ~~shall~~ may notify the County of ~~pending expiration of this Agreement~~ Contractor's desire not to renew this Agreement, such that on the last day of that term this Agreement shall terminate. This provision shall not be construed in any manner to require either party to renew this Agreement.

This indemnity will survive and remain in force after the expiration or termination of the Agreement and is unlimited; provided, however that the indemnity is not intended to cover claims against County arising out of County's own negligence or intentional misconduct. Nothing herein shall be interpreted by the parties or any third party that County waives its sovereign immunity otherwise provided by law. For purposes of this section, the term County shall include County, officers and its employees.

IX. INTEGRATION

This written instrument constitutes the entire Agreement between the County and the Contractor. All prior and contemporaneous agreements and understandings, whether oral or written, are without effect in the construction of any provision if they alter or otherwise vary any term or condition set forth in this instrument.

Nor shall waiver by the County of any material breach of any terms of this Agreement be taken or held to be a waiver of any subsequent material breach of such term or as a waiver of any provision of this Agreement.

XI. ILLEGAL AND INVALID PROVISIONS

Except as otherwise provided herein, should any provision of this Agreement be declared illegal, void, or unenforceable, it shall be excised and the Agreement modified to conform to the appropriate law. The remaining provisions of the Agreement shall remain in full force and effect.

XII. AMENDMENT

This Agreement may be altered, amended, or repealed only by a written instrument signed by authorized representatives of the parties.

XIII. LAW TO GOVERN

The laws of the State of Florida shall govern the validity, construction, interpretation, and effect of this Agreement. Columbia County, Florida shall be the exclusive venue for any legal proceeding concerning this Agreement.

XIV. ASSIGNMENT

Any change in Contractor's ownership shall, for purposes of the Agreement, be considered a form of assignment. The County shall not unreasonably withhold its approval of a requested change in ownership, so long as the transferee is of known financial and business integrity for the undertaking and can conclusively demonstrate the ability to perform all terms and conditions and obligations of this Agreement.

XV. PRODUCT ENDORSEMENT/ADVERTISING

Contractor shall not use the name of the County for the endorsement of any commercial products or services or Contractor's logo or brand name without the expressed written permission of the County. This shall not prevent Contractor from informing third parties of Contractor's contract with County and naming County as a business reference for Contractor.

XVI. WARRANTY REGARDING CONSIDERATION AND PROCUREMENT

Contractor warrants that it has not employed or retained any company or person other than a bona fide employee working solely for the Contractor to procure or solicit any agreement under this procurement, and that it has not paid or agreed to pay any company or person, other than a bona fide employee working solely for the Contractor, any fee, commission, percentage, brokerage fee, gifts, or other consideration contingent upon or resulting from this procurement. Further, Contractor represents that its pricing has been independently arrived at without collusion. Violation of this warranty shall constitute default of this Agreement.

XVII. RELATIONSHIP OF THE PARTIES

Contractor is an independent contractor. Nothing in the Agreement shall be construed to create a relationship of employer and employee or principal and agent, partnership, joint venture, or any other relationship other than that of independent parties contracting with each other solely for the purpose of carrying out the provisions of the Agreement. Nothing in the Agreement shall create any right or remedies in any third party, it being solely for the benefit of the County and the Contractor.

XVIII. AGREEMENT TO PAY ATTORNEY'S FEES AND EXPENSES

In the event either party should default under any of the provisions of this agreement and the other party should employ attorneys or incur other expenses for the collection of amounts due or the enforcement of performance or observance of any obligation or agreement on the part of either party, the prevailing party shall recover from the other party the reasonable fee for such attorneys and such other reasonable expenses and costs so incurred.

XIX. BINDING EFFECT

This agreement shall inure to the benefit of and shall be binding upon the parties and their respective successors and permitted assigns.

XX. SEVERABILITY

In the event that any provision of this agreement shall, for any reason, be determined to be invalid, illegal, or unenforceable in any respect, the parties hereto shall negotiate in good faith and agree to such amendments, modifications, or supplements of or to this agreement or such other appropriate actions as shall, to the maximum extent practicable in light of such determination, implement and give effect to the intentions of the parties as reflected herein, and the other provisions of this agreement shall as so amended, modified, supplemented, or otherwise affected by such action, remain in full force and effect.

XXI. PUBLIC RECORDS

The parties acknowledge County is a political subdivision of the State of Florida and is required to comply with the Public Records Act of the State of Florida, Chapter 119, Florida Statutes, and all other public entity provision required of the County as a political subdivision of the State of Florida as provided by the Constitution and laws of the State of Florida. Contractor will maintain original or copies of its records regarding or arising out of this

agreement for a minimum of five (5) years after the termination of this agreement, and shall make such records reasonably available to the County upon request.

XXII. ADDITIONAL COVENANTS

Contractor hereby agrees that it will not bring an action in any court or other forum seeking to void, nullify, terminate or set aside this agreement on the grounds that the agreement does not comply with the laws of Florida, including the Constitution of the State of Florida as revised in 1968 and subsequently amended (the "Constitution"). For clarification, the parties agree that the foregoing is not an acknowledgment by either party that this agreement does not comply with the laws of the State of Florida, including the Constitution, and that the foregoing statement does not amend, modify or limit the parties' respective representations herein. Notwithstanding anything in this Agreement to the contrary, neither party will be liable to the other party for any indirect, incidental, loss of profits, punitive, exemplary, special or consequential damages of any kind whatsoever arising out of or relating to this Agreement to the extent and in the event a court of competent jurisdiction should declare all or any material portion of this Agreement contrary to law or otherwise invalid.

XXIII. SURVIVAL OF REPRESENTATIONS AND WARRANTIES

All representations, warranties and indemnities, and the covenants and agreements to be performed subsequent to the execution hereof by the parties contained in this agreement, or in any document delivered in contemplation hereof shall survive the execution of this agreement and the termination, either voluntarily or involuntarily, of this agreement.

XXIV. BID DOCUMENTS INCORPORATED

This agreement, to the extent applicable, shall include the terms, conditions, scope of work, and specifications of County's Bid No. 2019-A. However, the foregoing agreement shall govern and take precedence in the event of any conflict between the foregoing agreement and the bid documents.

XXV. PERFORMANCE IN CASE OF SUBSEQUENT AWARD TO THIRD PARTY

Should Contractor fail to prevail in a future procurement cycle, Contractor shall provide all services required in and under this Agreement until the ending date of this Agreement or any agreed extension of this Agreement. To insure continued performance fully consistent with the requirements of this Agreement through any such period, the Contractor shall continue all operations and support services at the same level of effort and performance as were in effect prior to the award of the subsequent agreement to a competing organization, and shall fully cooperate with the County in providing non-proprietary data and information which will assist in an orderly transition of the service to the new contractor. Contractor shall make no changes in methods of operation which could reasonably be considered to be aimed at cutting Contractor's service and operating cost to maximize profits during the final stages of the Agreement. However, County recognizes that if a competing organization should prevail in a future procurement cycle, Contractor may reasonably begin to prepare for transition of service to the new Contractor. County shall not unreasonably withhold its approval of Contractor's request to begin an orderly transition process, including reasonable plans to relocate staff, scale down certain inventory items, etc., as long as such transition activity does not impair Contractor's performance during this period.

IN WITNESS WHEREOF, the parties have caused these presents to be executed by their duly authorized officers the day and year first above written.

RE: Update staffing and payroll program

We need to update our staffing program we are currently using. The Legacy version of Telestaff (Kronos) is the program we are currently using to do all of our staffing and payroll. This version is old and out of date. Our new computers with windows 10 on them will not run the old program. We have had to keep one old computer just to run this program. We have researched the possibility of updating Telestaff to a newer version, but the upfront cost is very high. We have found that Target Solutions has a program that will do all we need to have done. Since we already use Target Solutions for our online training, there will not be an upfront fee, only the yearly maintenance fee. The yearly maintenance fee is \$6,230. This will be hosted off site so it will not cause IT any extra cost for servers. Fire Department budget will support this without any extra funds needed.

Except as it relates to claims related to Section 4 or Section 7.2 of this Agreement, (a) in no event shall either party be liable to the other, whether in contract, warranty, tort (including negligence) or otherwise, for special, incidental, indirect or consequential damages (including lost profits) arising out of or in connection with this Agreement; and (b) the total liability of either party for any and all damages, including, without limitation, direct damages, shall not exceed the amount of the total fees due to, or already paid to, TSL for the preceding twelve (12) months.

7.2. Indemnification. TSL shall indemnify and hold Client harmless from any and all claims, damages, losses and expenses, including but not limited to reasonable attorney fees, arising out of or resulting from any third party claim that the Services or any component thereof infringes or violates any intellectual property right of any person.

7.3. Assignment. Neither party may assign or delegate its rights or obligations pursuant to this Agreement without the prior written consent of the other, provided that such consent shall not be unreasonably withheld. Notwithstanding the foregoing, TSL may freely assign or transfer any or all of its rights without Client consent to an affiliate, or in connection with a merger, acquisition, corporate reorganization, or sale of all or substantially all of its assets.

7.4. Force Majeure. 7.7. Export Regulations. All Content and Services and technical data delivered under this agreement are subject to applicable US and Canadian laws and may be subject to export and import regulations in other countries. You agree to comply strictly with all such laws and regulations and acknowledge that you have the responsibility to obtain such licenses to export,

re-export, or import as may be required after delivery to you.

7.8. Entire Agreement. This Agreement and its exhibits represent the entire understanding and agreement between TSL and Client, and supersedes all other negotiations, proposals, understandings and representations (written or oral) made by and between TSL and Client.
