

# Product Approval Code Specifications

As required by Florida Statute 553.842 and Florida Administrative Code 8B-72, please provide the information and approval numbers on the building components listed below if they will be utilized on the construction project for which you are applying for a building permit. We recommend you contact your local supplier should you not know the product approval number for any of the applicable listed products. Statewide approved products are listed online @ [www.floridabuilding.org](http://www.floridabuilding.org) \*Paper form not required if online submittal for roofs ONLY

| Category/Subcategory         | Manufacturer            | Product Description               | Approval Number(s) |
|------------------------------|-------------------------|-----------------------------------|--------------------|
| <b>1. Exterior Doors</b>     |                         |                                   |                    |
| A. Swinging                  | JCID-wen SW             | Fiberglass Door 7/16in x 81 3/4in | FL.33453.1         |
| B. Sliding                   |                         |                                   |                    |
| C. Sectional/Roll Up         |                         |                                   |                    |
| D. Other                     |                         |                                   |                    |
| <b>2. Windows</b>            |                         |                                   |                    |
| A. Single/Double Hung        | Pella hurricane         | 31.5x59.5/47.5x17.5               | FL.33447.1         |
| B. Horizontal Slider         |                         |                                   |                    |
| C. Casement                  |                         |                                   |                    |
| D. Fixed                     |                         |                                   |                    |
| E. Mullion                   |                         |                                   |                    |
| F. Skylights                 |                         |                                   |                    |
| G. Other                     |                         |                                   |                    |
| <b>3. Panel Walls</b>        |                         |                                   |                    |
| A. Siding                    | Carports anywhere metal |                                   | FL.27403.1         |
| B. Soffits                   |                         |                                   |                    |
| C. Storefronts               |                         |                                   |                    |
| D. Glass Block               |                         |                                   |                    |
| E. Other                     |                         |                                   |                    |
| <b>4. Roofing Products</b>   |                         |                                   |                    |
| A. Asphalt Shingles          |                         |                                   |                    |
| B. Non-Struct Metal          |                         |                                   |                    |
| C. Roofing Tiles             |                         |                                   |                    |
| D. Single Ply Roof           |                         |                                   |                    |
| E. Other                     | Carports anywhere metal |                                   | FL.27402.1         |
| <b>5. Struct Componenets</b> |                         |                                   |                    |
| A. Wood Connectors           |                         |                                   |                    |
| B. Wood Anchors              |                         |                                   |                    |
| C. Truss Plates              |                         |                                   |                    |
| D. Insulation Forms          |                         |                                   |                    |
| E. Lintels                   |                         |                                   |                    |
| F. Others                    |                         |                                   |                    |
