MOBILE HOME APPLICATION CHECKLIST

AN INSPECTION MUST BE APPROVED WITHIN 180 DAYS AFTER PERMIT ISSUANCE OR YOUR PERMIT IS NOT VALID.

- Review Process for Mobile Home Applications-** All of the information in this packet must be completely filled out. The packet is then submitted to the Building Department for review. When the review process is complete, the applicant will be contacted to then pull the Mobile Home Move On Permit. **Mobile Homes can only be set up by a Licensed Installer and the permits must be pulled by an authorized person.**
- Used Mobile Homes.** All used mobile homes placed or relocated in Columbia County must have a pre-inspection form completed before the home is moved to the new location. Any homes that do not meet Wind Zone II or higher requirements can not be moved or set up in Columbia County. Most mobile homes built before 1976 do not meet these requirements therefore cannot be placed or set up in this county. When coming from another county, have that county Inspector complete our pre-inspection form or this form can be completed by a licensed private home inspector. Then return the form to the Building Department before the permit will be issued.
- Site Plan.** FOLLOW THE SITE PLAN CHECKLIST, included in this packet.

- Ownership of Property.** Proof of ownership of the property is required, such as a recorded deed.
- Parcel Number.** The parcel number (Tax ID number) from the Property Appraiser (386- 758-1084) is required. This may also be obtained on-line at http://g2.columbia.floridapa.com/GIS/Search_F.asp .
- Driveway Connection** (Circle this on the Application) If the property does not have an existing access to a county maintained public road, then you must apply for culvert permit (\$25.00) or a culvert waiver (\$50.00) if you feel that a culvert is not needed. The waiver is either approved or denied by the Columbia County Public Works Department. If the property will have access from a state maintained road, then an approved application for driveway access from F.D.O.T. must be submitted before a permit will be issued. **No release of final power** will be given until driveway access is complete and given final inspection approval.

ONLY AFTER ZONING DEPARTMENT APPROVAL ~ ITEMS NEEDED
