Stanley & Mary Ann Crawford
1482 SW Commercial Glen
Lake City, FL 32025

SUBJECT: ELEVATION LETTER
Parcel No. 25-5S-15-00478-107
1505 SW Daisy Rd, Lake City FL 32025

To Whom It May Concern:

Parcel No. 25-5S-15-00478-107 is not located in a flood zone. The property naturally slopes East away from Daisy Road and the proposed structure. The structure will be elevated on a concrete pad. Stormwater will flow around the structure to the East.

Requirements for Structure to Be Protected from a Base Flood Event:

The finished floor elevation for the foundation of the structure shall be at 97.79 feet and above the highest adjacent natural grade at the proposed building site. An assumed elevation of 100' shall be used for the centerline of the road. Any disturbed area around the proposed structure shall be graded to direct all runoff to the East.

Sincerely,

Terry R. White, Jr., P.E.
Water Resources Engineer

I certify that the finished floor elevation listed above will protect the structure against water damage from a base flood event, as defined in Article 8 of the Land Development Regulations.
