RE: Owner-Requested Revision to Approved Screen Enclosure Engineering Plans
Permit No.: 55870
Owner Address: 296 SE Nature Dr, Lake City, Florida 32025

To Whom It May Concern:

I, Yaisel Gonzalez, acting as the licensed contractor and authorized representative of Alpha Builders of North Florida LLC, hereby certify that the property owner of the above-referenced project requested modifications to the previously approved engineering plans for the screen enclosure associated with Permit No. 55870.

Specifically, the owner requested to add (1) 6x6 post on the side that measures 44 feet and therefore a 2x10 beam located on the same side was removed from the original engineered design.

These revisions were requested after the original engineering plans were prepared and submitted. Revised engineering documents reflecting these changes will be submitted for review and approval by the Columbia County Building Department as required.

No work associated with the revised portions of the project will proceed until all required approvals have been obtained.

Should additional information be required, please contact our office at 386-389-0753 or AlphaBuildersFL@yahoo.com.

Respectfully,

Yaisel Gonzalez
