

JR 7. I understand that it is a frequent practice of unlicensed persons to have the property owner obtain an owner-builder permit that erroneously implies that the property owner is providing his or her own labor and materials. I, as an owner-builder, **may be held liable** and subjected to **serious financial risk** for any injuries sustained by an unlicensed person on his or her employees while working on my property. My **homeowner's insurance may not provide coverage** for those injuries. I am willfully acting as an owner-builder and am aware of the limits of my insurance coverage for injuries to workers on my property.

JR 8. I understand that I may not delegate the responsibility for supervising work to a licensed contractor who is not licensed to perform the work being done. Any person working on my building who is not licensed must work under my direct supervision and must be employed by me, which means that I **must comply with laws requiring the withholding of federal income tax and social security contributions** under the Federal Insurance Contributions Act (FICA) and **must provide workers' compensation** for the employee. I understand that my **failure to follow these laws may subject me to serious financial risk**.

JR 9. I agree that, as the party legally and financially responsible for this proceed construction activity, I will abide by all applicable laws and requirements that govern owner-builders as well as employees. I also understand that the construction **must comply with all applicable laws, ordinances, building codes, and zoning regulations**.

JR 10. I understand that I may obtain more information regarding my obligations as an employer from the Internal Revenue Service, the United States Small Business Administration, the Florida Department of Financial Services, and the Florida Department of Revenue. I also understand that I may **contact the Florida Construction Industry Licensing Board** at 850-487-1395 or <http://www.myfloridalicense.com/> for more information about licensed contractors.

JR 11. I am aware of, and consent to, an owner-builder building permit applied for in my name and understand that **I am the party legally and financially responsible** for the proposed construction activity at the following address:
