Services to be provided:

☐ Plans Review

☒ Inspections

Note: If the fee owner elects to use or authorizes the use of a private provider to provide plans review, the local building official may, at his or her discretion and subject to duly adopted local policy, require that a private provider be used to perform inspections as well, pursuant to section 553.791(2)(a), Florida Statutes.

I Michael Shrenk, the

☐ fee owner / ☒ fee owner's contractor, have entered into a contract with the Private Provider indicated below to conduct the services indicated above.

Private Provider Firm: CT Solutions of Florida, LLC

Private Provider: Tim Hunt

Address: 10602 NW 149 Place - Alachua, FL 32615

Telephone: 386-361-0208

Email Address: THunt@CTSolutionsFL.com

Florida License, Registration or Certificate #: BU2174

I have elected to use one or more private providers to provide building code plans review and/or inspection services on the building or structure that is the subject of the enclosed permit application, as authorized by s. 553.791, Florida Statutes. I understand that the local building official may not review the plans submitted or perform the required building inspections to determine compliance with the applicable codes, except to the extent specified in said law. Instead, plans review and/or required building inspections will be performed by licensed or certified personnel identified in the application. The law requires minimum insurance requirements for such personnel, but I understand that I may require more insurance to protect my interests. By executing this form, I acknowledge that I have made inquiry regarding the competence of the licensed or certified personnel and the level of their insurance and am satisfied that my interests are adequately protected. I agree to indemnify, defend, and hold harmless the local government, the local building official, and their building code enforcement personnel from any and all claims arising from my use of these licensed or certified personnel to perform building code inspection services with respect to the building or structure that is the subject of the enclosed permit application.

I understand the Building Official retains authority to review plans, make required inspections, and enforce the applicable codes within his or her charge pursuant to the standards established by s. 553.791, Florida Statutes. If I make any changes to the listed private providers or the services to be provided by those private providers, I shall,

within 1 business day after any change, or within 2 business days before the next scheduled inspection, update this notice to reflect such changes. The building plans review and/or inspection services provided by the private provider is limited to building code compliance and does not include review for fire prevention, firesafety, land use, environmental or other codes.

The following attachments are provided, as required:

1. Qualification statements and/or resumes of the private provider and all duly authorized representatives.
2. A certificate of insurance as required by section 553.791(18), Florida Statutes.

TO THE FULLEST EXTENT PERMITTED BY LAW, EACH PARTY HEREBY IRREVOCABLY WAIVES ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, SUIT, OR PROCEEDING (WHETHER BASED ON CONTRACT, TORT OR OTHERWISE) BETWEEN THE PARTIES ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE ACTIONS OF SUCH PARTY IN THE NEGOTIATION, ADMINISTRATION, PERFORMANCE AND ENFORCEMENT HEREOF.
- j. To the extent that homeowner believes that any work performed by Reece is defective, the notice and opportunity to repair requirements of Fla. Stat. §558.004 apply
- k. Reece Builders has contracted with Private Provider, CT Solutions of Florida LLC (CTSF) to perform required inspection services in accordance with FS 553.791, for work performed at your property. This provides you, as our Customer with independent verification that our work meets all State requirements. Any applicable permit applications, inspections and close-out paperwork will be performed by Reece and CTFS. All documentation required for submission will be handled by both Reece and CTSF. You, as the Customer, will not be required to submit any paperwork. Any of these documents can be made available to you, the Customer, upon request. By signing below, you acknowledge our use of a Private Provider (CTSF) and that you allow Reece Builders and CTSF, to act as the Owners Agent, including permission to sign as Owners Agents when necessary.

I further acknowledge and agree that I have read, understood, and fully accepted the Terms and Conditions set forth herein.

Be sure you understand all provisions of the contract before you sign.

Buyer(s) also agrees and understands that if Buyer(s) finances the work with a third-party, the terms of that financing will be contained on separate documents, including any finance charge. Some third-party lenders issue draw payments as part of their financing. In the event the Buyer(s) elect this financing offer, the Buyer(s) shall remit fifty percent (50%) of the total project fee as a non-refundable draw payment upon execution of this Agreement. The remaining fifty percent (50%) balance shall be due and payable in full immediately upon satisfactory completion of the contracted services.

Future promotions not applicable.

Tim is an experienced professional renowned for his expertise in streamlining procedures and optimizing operations to better serve communities. With a successful tenure as a Building Official and Flood Plain Manager for the City of Alachua, Tim has demonstrated proficiency in managing budgets, acquiring updated equipment, and increasing accuracy and efficiency in construction projects. He held leadership roles in various municipalities, including Assistant Building Official for the City of Ocala. Tim's skill set encompasses permitting expertise, problem resolution, safety awareness, and contractor relationship development.

EXPERIENCE

September 2024 – Present

CT Solutions of Florida, LLC: Vice President/CBO

Provides quality control, plan review and building inspections (including virtual inspections). Tim plays a crucial role in maintaining high-quality standards during the construction process. By performing thorough quality inspections, he ensures that all work meets the required specifications. His timely feedback to contractors helps them address issues promptly, leading to swift corrective actions. This proactive approach is vital in preventing delays, allowing his clients to meet stringent project deadlines while maintaining the desired quality. Tim's efforts help streamline operations, reduce costly rework, and foster strong working relationships between contractors and clients. With 22 years of experience and cumulative knowledge Tim educates clients on proper procedures leading to safer conditions and construction.

January 2024 – January 2025

Meskel & Associates Engineering, PLLC: Director of Private Provider Services

Tim managed all activities related to ensuring compliance with building codes and standards. He coordinated plan reviews, oversaw permit application processes, and tracked issuance, all while supervising a team of qualified inspection personnel. Tim's expertise extends to assisting with complex inspections and conducting training sessions for field inspection staff. He evaluated plans for necessary changes and conducted thorough inspections of various construction elements. Tim maintained accurate records and handled inspections with professionalism and courtesy. He prepared reports and promoted continuous quality improvement in projects, ensuring strict compliance with inspection specifications, requirements, and policies.

April 2022 – December 2024

City of Alachua, Florida - Building Official, Flood Plain Manager / Bldg Support Services

Tim's role involved evaluating compliance with city, state, and federal regulations, as well as discipline-specific codes, meticulously documenting violations, and issuing necessary directives. Tim handled complaints, conducted re-evaluations of failed inspections, and attended hearings, all while maintaining a focus on fostering positive client relationships through adept issue resolution.

Additionally, he took charge of budgeting, reporting, and overall building operations, offering expert guidance on materials and methodologies to ensure compliance and resolve discrepancies. Tim was committed to continuous professional development, staying updated on evolving inspection codes and regulations. Leading a dedicated team of nine, he implemented standardized procedures and forms to streamline operations and meticulously reviewed construction plans for alignment with project objectives.

July 2019 – November 2023

City of Ocala, Florida: Assistant Building Official

Tim managed an 18-person team, overseeing their tasks and ensuring adherence to standards. His responsibilities included reviewing plans, maintaining up-to-date knowledge of inspection codes, ordinances, and regulations, and investigating complaints at work sites. Tim also played a pivotal role in training new inspectors and apprentices, passing on his expertise to the next generation of professionals.

He documented violations and issued relevant directives such as stop-work orders, ensuring compliance with city, state, and federal guidelines, as well as specific industry codes. Tim demonstrated adaptability and initiative by creating an inspection affidavit program during the challenges posed by Covid. Additionally, he effectively handled budgeting, managing a substantial budget of 3.5 million dollars, showcasing his financial acumen and organizational skills.

January 2019 - July 2020

CGA/SafeBuilt, Deerfield Beach, Florida: Plans Examiner

Following his relocation to the Central Florida area, Tim continued to contribute to the field part-time and on-call, primarily focusing on remote plan review. As a seasoned Plans Examiner, he brought his expertise to this role, meticulously assessing construction plans for compliance with regulations and standards.

April 2017 - January 2019

City of West Palm Beach, Florida: Plumbing Inspector

Tim served as a Plumbing Plans Inspector and Plans Examiner, leveraging his expertise to ensure the integrity of plumbing systems in various construction projects. His inspections encompassed a wide range of structures, including new constructions, remodels, multi-family dwellings, custom homes, and towering 30-story high-rises. With meticulous attention to detail, Tim upheld regulatory standards and industry best practices, contributing to the safety and quality of diverse construction endeavors.

December 2012 - April 2017

East Coast Mechanical, West Palm Beach, Florida: Service Director

Tim's career journey highlights his impressive rise from hands-on technical work to leadership roles in the construction industry. Starting as an AC and Plumbing mechanic, he honed his expertise in both fields before progressing into positions of greater responsibility, including Plumbing Manager and Service Director. In these roles, Tim displayed his leadership and managerial capabilities, overseeing a team of 226 employees across multiple operations.

His responsibilities spanned various critical functions, such as overseeing AC replacement projects, warranty services, and budget management for an impressive portfolio that exceeded 35 million dollars in revenue. Tim was deeply involved in ensuring that the company adhered to regulatory requirements by offering guidance on materials, methodologies, and inspection codes. His thorough knowledge of inspection regulations helped ensure compliance across all operations.

Moreover, Tim's strategic focus on process improvement played a key role in streamlining internal operations. By standardizing processes and procedures, he significantly boosted operational efficiency, which contributed directly to the success and continued excellence of the company in the highly competitive construction industry.

December 1995 – November 2012

Tim's plumbing career began in 1995, and over the years, he dedicated himself to mastering the craft. By 2006, he had earned his journeyman status, a significant milestone that demonstrated his advanced technical skills and expertise in plumbing. Tim's journey took him to the City of Boca Raton, where he worked as a plumber, further refining his abilities and gaining invaluable experience.

Throughout his career, Tim consistently seized every opportunity to enhance his skills and acquire new ones, demonstrating a commitment to both personal and professional growth. His proactive approach to learning and development helped him navigate through various roles, ultimately preparing him for the leadership positions he would later hold. This continuous drive for improvement is a testament to Tim's dedication to excellence in the plumbing and construction industries.
