

Inspection Date: March 5, 2026

Columbia County
Building & Zoning Department
135 NE Hernando Avenue
Lake City, FL 32055

Subject: Special Inspection Report 1 of 1 (Final) [DoD]
Permit: 000054014
AT&T Site: I-10 & I-75 (10143832)
Site Address: 255 NW Serene Court, Lake City, FL 32055
APX Project: 25-0404.999

Dear Building Official:

APX Engineering Group, LLC (APX) performed observations of the AT&T telecommunication facility located at the above-referenced site. The purpose of these observations was to inspect the following in accordance with the Florida Building Code, 8th Edition (2023) and the National Electric Code (NEC), 2020 Edition:

1. Removal of twelve existing antennas.
2. Removal of twelve existing Remote Radio Units (RRUs).
3. Removal of three existing TMAs.
4. Relocation of six existing RRUs.
5. Installation of nine proposed antennas.
6. Installation of seven proposed RRUs.

The installation of the above-mentioned items was visually inspected and compared with the approved construction drawings by Gen3 Engineering, Inc. dated July 16, 2025. Based on these observations and to the best of my knowledge and belief, the above-described construction of all structural load-bearing components complies with the permitted documents.

Should you have any questions or wish to discuss any aspect of this letter, please do not hesitate to contact the undersigned.

Sincerely,

APX Engineering Group, LLC

Michael A. Phillips, P.E.
Chief Engineer
Florida License #68312
