## Permit Renewal/Extension Request for Expired Permit

Date: 11/13/2025

To Whom It May Concern:

I am requesting renewal of the building permit listed below, which has expired under the provisions of the Florida Building Code. I am aware that this request is subject to review and approval by the Building Department, and that additional documentation, fees, or inspections may be required.

### Reason for delay/Justification for Renewal Request

Due to product delays we came to a stand still on this project and the expiration date for the permit unfortunately passed before we realized.

### Permit Time Limit (F.S. 553.79)

Pursuant to Florida Statutes 553.79 and the Florida Building Code, a permit shall expire if:

- Work has not commenced within 180 days of issuance,
- Work has been suspended or abandoned for 180 days after commencement, or
- No passed inspection has occurred within 180 days.

\*An expired permit may be eligible for renewal provided no substantial changes have occurred and the project remains compliant with current codes.

### Renewal Fee Calculation

Fees are based on the percentage of inspections completed before the permit expired:

- **No Inspections Complete:** 100% of original permit fee
- **1/4 Inspections Complete:** 75% of original permit fee
- **1/2 Inspections Complete:** 50% of original permit fee
- **3/4 Inspections Complete:** 25% of original permit fee
- **Minimum Fee:** \$100.00

### Acknowledgement & Certification

By signing below, I affirm that the information provided is true and correct. I understand that this request is subject to review and approval by Building Department staff, and that additional documentation or inspections may be required.

I affirm that:

- I am the original permit applicant, licensed contractor, or property owner, and am authorized to make this request.
- No substantial changes have been made to the project since the original permit was issued.
- I agree to comply with all applicable provisions of the Florida Building Code and Florida Statutes.
