JOB DETAILS

Residential or Commercial? Commercial

Is the power service? New Power Service

What is the power service for? Other

Other job details: Project is for EV Charging Equipment in a portion of the service center. The overall site is in development. There is not a new transformer proposed as a result of our project. We will be tapping into a transformer that is included in the overall site design. The transformer shown in our drawings is called out as existing since that transformer will be a part of the overall project and completed prior to the installation of the remaining mobile charging equipment. Water utility will not be impacted by this project.
