Customer service official's notes: 07/17/26 The Tap & Impact office emailed COLBY@HERRINGCONTRACTING.COM to clarify if these buildings are going to utilize water from the City of Lake City. We will update the note when we receive a response. Brianna Stemple with Herring Contracting advised that these buildings will NOT utilize water. They are open storage buildings (pole barns). Locates must be obtained to ensure that the existing utility infrastructure is not damaged or obstructed.
