Hello,

Covid-19 made it difficult to procure the goods we needed to complete construction of our home.

I was not working from February 2020 until November 2020 due to Covid related restrictions and I have not worked consistently since January 2021. This made it difficult to purchase the necessary building supplies with our budget cut in half. This drastically slowed down our progress and we have had to utilize credit cards to purchase the materials we needed which prolonged our timetable. Thus, putting us beyond the time allotted in our permit.

Permit # 000037949

Name James Barkley

Addr. 1588 SW Fry Ave. Fort White, FL 32038

Thank you,
James Barkley
