Good afternoon Mr. Wingfield,

How are you related to this project? I have Jefferey Ganskop listed as the license holder and you are not on his list as an authorized agent. If this is the correct application/permit, Mr. Ganskop must request the extension. If you are acting as his agent, we will need an authorized agent form. If this is the incorrect application/permit, please provide the correct information. Thanks!

Good morning,

This is a formal request to extend the permit application 58930. Unfortunately, we have not yet been able to get started on this project.

Nothing about the project has changed, we just need the permit to be extended for another year.

Please let me know if you have any questions or concerns,

Thank you,

Bryan Wingfield, Project Manager
