POCKET PENETROMETER TEST

The pocket penetrometer tests are rounded down to 1500 psf or check here to declare 1000 lb. soil _____ without testing.

X 1600 X 1700 X 1760

POCKET PENETROMETER TESTING METHOD

1. Test the perimeter of the home at 6 locations.
2. Take the reading at the depth of the footer.
3. Using 500 lb. increments, take the lowest reading and round down to that increment.

X 1600 X 1700 X 1700

TORQUE PROBE TEST

The results of the torque probe test is 295 inch pounds or check here if you are declaring 5' anchors without testing _____. A test showing 275 inch pounds or less will require 5 foot anchors.

Note: A state approved lateral arm system is being used and 4 ft anchors are allowed at the sidewall locations. I understand 5 ft anchors are required at all centerline tie points where the torque test reading is 275 or less and where the mobile home manufacturer may require anchors with 4000 lb holding capacity.

MOBILE HOME INSTALLATION SUBCONTRACTOR VERIFICATION FORM

APPLICATION NUMBER 1207-17 CONTRACTOR Robert Shepard PHONE 623-2203

THIS FORM MUST BE SUBMITTED PRIOR TO THE ISSUANCE OF A PERMIT

In Columbia County one permit will cover all trades doing work at the permitted site. It is REQUIRED that we have records of the subcontractors who actually did the trade specific work under the permit. Per Florida Statute 440 and Ordinance 89-6, a contractor shall require all subcontractors to provide evidence of workers' compensation or exemption, general liability insurance and a valid Certificate of Competency license in Columbia County.

Any changes, the permitted contractor is responsible for the corrected form being submitted to this office prior to the start of that subcontractor beginning any work. Violations will result in stop work orders and/or fines.

Addressing Maintenance

To maintain the Countywide Addressing Policy you must make application for a 9-1-1 Address at the time you apply for a building permit. The established standards for assigning and posting numbers to all principal buildings, dwellings, businesses and industries are contained in Columbia County Ordinance 2001-9. The addressing system is to enable Emergency Service Agencies to locate you in an emergency, and to assist the United States Postal Service and the public in the timely and efficient provision of services to residents and businesses of Columbia County.

BOARD OF COUNTY COMMISSIONERS • COLUMBIA COUNTY

6 July 2012

David Morrell
 212 Southwest Cottage Glen
 Lake City, FL 32024

RE: Zoning Application Request Z 0530 for Parcel ID# 03-4S-16-02742-000

Dear Mr. Morrell:

Upon final review of the above referenced request for a zoning amendment, it has been determined that this parcel is currently zoned Residential Single Family/Mobile Home-2 (RSF/MH-2). Detailed scaling of the Zoning Atlas and Property Appraiser map indicates that the north property line of the above referenced parcel is where the RSF/MH-2 zoning district begins. In addition, this means that the southern portion of the property that you own to the east is also located in that RSF/MH-2 zoning district. Please find enclosed your check #1050 that was submitted for the zoning application request. You may proceed with submitting for a mobile home move-on permit at this time. I have also enclosed a copy of the Zoning Atlas and a map from the Property Appraiser's website showing the RSF/MH-2 zoning district. I do apologize for any inconvenience this may have caused you.

If you have any questions concerning this matter, please do not hesitate to contact me at 386.754.7119.

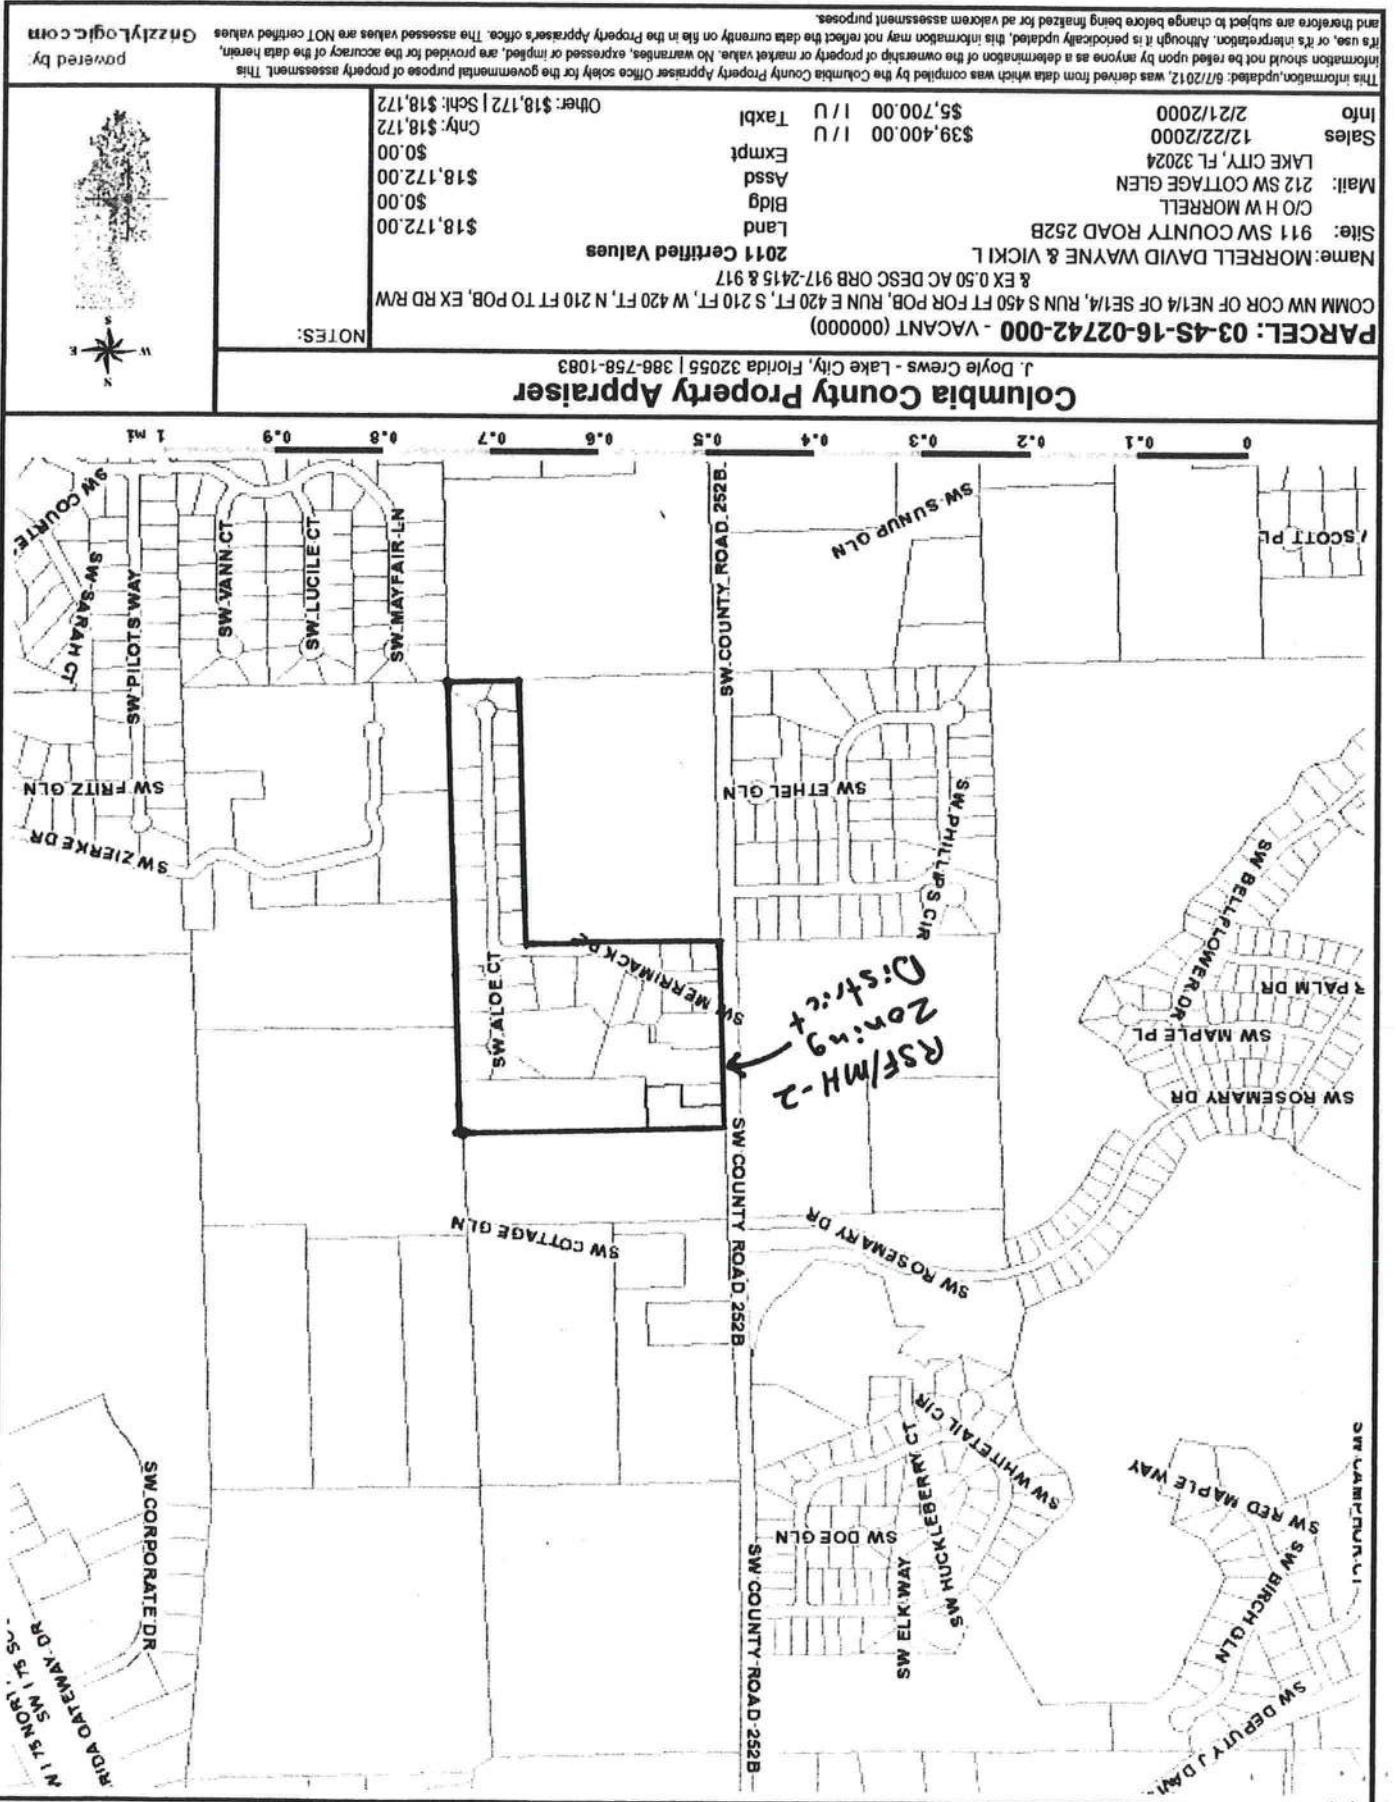

Sincerely,

Brian L. Kepner
 Land Development Regulation Administrator,
 County Planner

MARKS:

Station 2 responded to structure fire on c.r. 252b. Upon arrival we had heavy smoke, and flame on one end of house. We extinguished the fire with 2 pre-connect hose lines. We checked the house including the area for extension, and hot spots. Our investigation points toward a leak of clothing and plastic clothes basket against the gas water heater. Due to the build up of heat on clothing and the process of pyrolysis the clothing ignited starting laundry room and fire spreading the other parts of house.
