To whom it may concern,

I am writing concerning permit number 48455. This is a fiberglass pool install. all inspections were completed up to the final. The homeowner was responsible for the safety barrier, which in this case was a fence around the swimming pool. We have reached out to the homeowner many times and have not been able to speak with them to find out if the barrier has been installed. at this point I would like to pull out of the permit and not be liable for it going forward.

Thank you, Jerry Robinson
