

WEST SHORE
HOME

NOTICE OF THE USE OF PRIVATE PROVIDER

In keeping with our Core Value of Do the Right Thing Always, West Shore Home has contracted with one or more Private Providers to perform any required inspection services on work performed in your home in accordance with s. 553.791. This allows us to provide our customers additional peace of mind by utilizing independent verification that work meets all local and state requirements by using an approved Private Provider.

Any applicable permit applications, inspections, and close out will be performed by West Shore Home, LLC and the Private Provider. All documentation required to be submitted will be handled by both West Shore Home, LLC and the Private Provider as necessary. You, as the customer, will not need to do anything. These documents can be made available to you, the Customer, upon request.

By signing below you are acknowledging that you have been made aware of the use of a Private Provider and that you allow the following Private Provider to conduct inspections on your property as necessary:

CT Solutions of Florida, LLC
10602 NW 149th Pl
Alachua, FL 32615

QUALIFICATIONS

Tim is an experienced professional renowned for his expertise in streamlining procedures and optimizing operations to better serve communities. With a successful tenure as a Building Official and Flood Plain Manager for the City of Alachua, Tim has demonstrated proficiency in managing budgets, acquiring updated equipment, and increasing accuracy and efficiency in construction projects. He held leadership roles in various municipalities, including Assistant Building Official for the City of Ocala. Tim's skill set encompasses permitting expertise, problem resolution, safety awareness, and contractor relationship development.

EXPERIENCE

September 2024 - Present

CT Solutions of Florida, LLC: Vice President/CBO

Provides quality control, plan review and building inspections (including virtual inspections). Tim plays a crucial role in maintaining high-quality standards during the construction process. By performing thorough quality inspections, he ensures that all work meets the required specifications. His timely feedback to contractors helps them address issues promptly, leading to swift corrective actions. This proactive approach is vital in preventing delays, allowing his clients to meet stringent project deadlines while maintaining the desired quality. Tim's efforts help streamline operations, reduce costly rework, and foster strong working relationships between contractors and clients. With 22 years of experience and cumulative knowledge Tim educates clients on proper procedures leading to safer conditions and construction.

January 2024 - January 2025

Meskel & Associates Engineering, PLLC: Director of Private Provider Services

Tim managed all activities related to ensuring compliance with building codes and standards. He coordinated plan reviews, oversaw permit application processes, and tracked issuance, all while supervising a team of qualified inspection personnel. Tim's expertise extends to assisting with complex inspections and conducting training sessions for field inspection staff. He evaluated plans for necessary changes and conducted thorough inspections of various construction elements. Tim maintained accurate records and handled inspections with professionalism and courtesy. He prepared reports and promoted continuous quality improvement in projects, ensuring strict compliance with inspection specifications, requirements, and policies.

April 2022 - December 2024

City of Alachua, Florida - Building Official, Flood Plain Manager / Bldg Support Services

Tim's role involved evaluating compliance with city, state, and federal regulations, as well as discipline-specific codes, meticulously documenting violations, and issuing necessary directives. Tim handled complaints, conducted re-evaluations of failed inspections, and attended hearings, all while maintaining a focus on fostering positive client relationships through adept issue resolution.

Additionally, he took charge of budgeting, reporting, and overall building operations, offering expert guidance on materials and methodologies to ensure compliance and resolve discrepancies. Tim was committed to continuous professional development, staying updated on evolving inspection codes and regulations. Leading a dedicated team of nine, he implemented standardized procedures and forms to streamline operations and meticulously reviewed construction plans for alignment with project objectives.

July 2019 – November 2023

City of Ocala, Florida: Assistant Building Official

Tim managed an 18-person team, overseeing their tasks and ensuring adherence to standards. His responsibilities included reviewing plans, maintaining up-to-date knowledge of inspection codes, ordinances, and regulations, and investigating complaints at work sites. Tim also played a pivotal role in training new inspectors and apprentices, passing on his expertise to the next generation of professionals.

He documented violations and issued relevant directives such as stop-work orders, ensuring compliance with city, state, and federal guidelines, as well as specific industry codes. Tim demonstrated adaptability and initiative by creating an inspection affidavit program during the challenges posed by Covid. Additionally, he effectively handled budgeting, managing a substantial budget of 3.5 million dollars, showcasing his financial acumen and organizational skills.

January 2019 - July 2020

CGA/SafeBuilt, Deerfield Beach, Florida: Plans Examiner

Following his relocation to the Central Florida area, Tim continued to contribute to the field part-time and on-call, primarily focusing on remote plan review. As a seasoned Plans Examiner, he brought his expertise to this role, meticulously assessing construction plans for compliance with regulations and standards.

April 2017 - January 2019

City of West Palm Beach, Florida: Plumbing Inspector

Tim served as a Plumbing Plans Inspector and Plans Examiner, leveraging his expertise to ensure the integrity of plumbing systems in various construction projects. His inspections encompassed a wide range of structures, including new constructions, remodels, multi-family dwellings, custom homes, and towering 30-story high-rises. With meticulous attention to detail, Tim upheld regulatory standards and industry best practices, contributing to the safety and quality of diverse construction endeavors.

December 2012 - April 2017

East Coast Mechanical, West Palm Beach, Florida: Service Director

Tim's career journey highlights his impressive rise from hands-on technical work to leadership roles in the construction industry. Starting as an AC and Plumbing mechanic, he honed his expertise in both fields before progressing into positions of greater responsibility, including Plumbing Manager and Service Director. In these roles, Tim displayed his leadership and managerial capabilities, overseeing a team of 226 employees across multiple operations.

His responsibilities spanned various critical functions, such as overseeing AC replacement projects, warranty services, and budget management for an impressive portfolio that exceeded 35 million dollars in revenue. Tim was deeply involved in ensuring that the company adhered to regulatory requirements by offering guidance on materials, methodologies, and inspection codes. His thorough knowledge of inspection regulations helped ensure compliance across all operations.

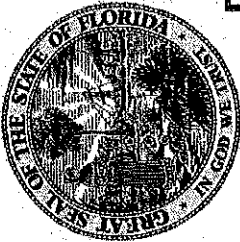

Moreover, Tim's strategic focus on process improvement played a key role in streamlining internal operations. By standardizing processes and procedures, he significantly boosted operational efficiency, which contributed directly to the success and continued excellence of the company in the highly competitive construction industry.

December 1995 – November 2012

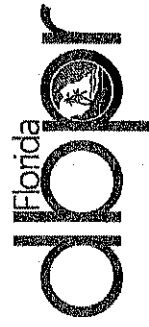

Tim's plumbing career began in 1995, and over the years, he dedicated himself to mastering the craft. By 2006, he had earned his journeyman status, a significant milestone that demonstrated his advanced technical skills and expertise in plumbing. Tim's journey took him to the City of Boca Raton, where he worked as a plumber, further refining his abilities and gaining invaluable experience.

Throughout his career, Tim consistently seized every opportunity to enhance his skills and acquire new ones, demonstrating a commitment to both personal and professional growth. His proactive approach to learning and development helped him navigate through various roles, ultimately preparing him for the leadership positions he would later hold. This continuous drive for improvement is a testament to Tim's dedication to excellence in the plumbing and construction industries.
