Personally known X or

Produced Identification Type of identification produced.

* Include photographs of each plane of the roof with the permit
number clearly shown marked on the deck for each inspection. Place a
tape measure next to the nailing pattern to show distance between nails.

* Photographs must clearly show all work and have the permit number
indicated on the roof.

* Affidavit and Photographs must be provided when final inspection is
requested.

* Metal overlay & purlin installations shall have photographs of purlins
or underlayment, whichever applies.
