Upon termination of the Manager's term, the Manager shall automatically begin his term as manager for the next fiscal year unless (unanimous) the members shall call for an election of a new Manager. The election of a new Manager shall require a 99% vote of all member interests.

14. **Compensation of Manager.** Members may authorize the payment of a salary to the manager in addition to the reasonable salary initially granted to the manager.

15. **LLC Transactions in Securities.** Nothing in this agreement shall prohibit any member from buying or selling securities for his own account.

- c. Such member's closing account and the manner of its calculation;

d. Any other information necessary to enable such member to prepare his individual income tax returns; and

e. Such member's LLC percentage for the succeeding fiscal year or interim period.

17. **Special Power of Attorney to Member.** Each member (for himself, his successors and assigns) hereby constitutes and appoints the Manager (and each person who may be subsequently substituted as a Manager) his true and lawful attorney-in-fact, and empowers and authorizes -ach such attorney-in-fact, in the name, place and stead of each such member, to execute and acknowledge any and all amendments to Exhibit A attached hereto from time to time as necessary to reflect any change in the LLC of the membership or in the address or percentage of ownership of any member which occurs in accordance with the terms of this agreement; and to make, execute, sign, swear to, acknowledge and file in such place or places as may be required by law any documents, certificates, or instruments which by law may be required or permitted to be made and filed in connection with the formation or continuation of the LLC and the admission of the members in accordance with the terms of this agreement; and to include therein all information .required by law and any such additional information as he may deem appropriate, hereby ratifying and confirming all actions which may be taken by said attorney-in-fact pursuant to this paragraph. The power of the attorney-in-fact hereby granted is a special power of attorney, coupled with an interest, and is irrevocable; may be exercised by any such attorney-in-fact for executing any agreement, certificate, instrument or document with the single signature of any such attorney-in-fact acting as attorney for all the members; and shall survive the delivery of an assignment by a member of the whole or a portion of his interest in the LLC, except that, where the purchaser, transferee or assignee of such interest is admitted as a substituted member, the power of attorney shall survive the delivery of such assignment for the sole purpose of enabling such attorney-in-fact to execute, acknowledge and file any such agreement, certificate, instrument or document necessary to effect such substitution. Such attorney-in-fact shall not, however, have any right, power or authority to amend or modify the provisions of this agreement when acting in such capacity except as permitted by law.

18. **Involuntary Withdrawal Resulting from Creditors Proceedings, Levies or Bankruptcy:**

If the interest of a Member is substantially affected by creditors proceedings, levies on that member's interest, or bankruptcy or other insolvency proceedings of that member, then, in such

event, this section shall be applicable, and shall take precedence over any other provision within this agreement which conflicts with this provision.

In such an event, the remaining members shall have the right to immediately purchase the share of the Member affected by the creditors' proceedings for the fair market value determined under this agreement, in accordance with the terms of purchase by the LLC or members. However, the purchase price shall be discounted from fair market value, by 50%, in order to compensate the LLC for the additional risks and issues resulting from the creditors' proceedings. The procedure for effectuating the purchase shall be in accordance with the preferential rights provisions of this agreement.

Should such an event occur, the Members who were Members prior to the Adverse Member may hold an election to replace the Manager if they so choose.

A new Member, who becomes a Member via a Charging Order or other similar creditor proceeding, shall have no voting rights and shall be considered an Adverse Member, and shall have no right to direct any changes in the LLC whatsoever. They shall have no voting rights or any other rights.

An Adverse Member shall receive a K1 for their pro-rata share of LLC income, but the Manager shall be under no obligation to make any kinds of distributions whatsoever. This is likely to create a scenario where the Adverse Member receives a K1 which could cause the Adverse Member to incur significant federal and state tax liabilities without any income from the LLC to actually pay the tax. This could cause the Adverse Member to be forced into Bankruptcy for their inability to pay such income taxes. In no event shall that scenario be a reason for the Manager or the LLC to provide the Adverse Member with any distributions.

In addition, should such an event occur concerning an Adverse Member, and the LLC contains only a single Member, then 51% of the Membership interest belonging to the Member shall automatically become the property of the Manager, this transfer occurring as consideration for the additional workload placed on the Manager for facilitating the Adverse Membership claim. If at that time, the Manager is the same natural person as the single Member, then the Member who's interest is being adversely affected shall designate a third party to act as the new Manager.

Part 5

Additional Members

1. **Admission of New Members.** With the written unanimous consent of the members, new members may be admitted into the LLC upon the payment of such capital contribution and upon such terms as the members unanimously decide. In the event that new members are admitted into the LLC, the share of each new member in the profits and losses shall be in such proportion as may be agreed upon between all the members and the new member:

a. **Signature on Operating Agreement.** For purposes of admitting new members to the LLC and setting forth the capital contributions and shares of profits and losses of new members, signing a copy of this Operating Agreement, with amended Schedule A and Schedule B, shall be all that is required to show the consent, capital contributions and shares of profits and losses as provided in this paragraph. By signing this Operating Agreement, new members shall be conclusively presumed to have read this agreement and to have become parties to this agreement as of the date of signing, and to be bound by all the terms and conditions of this agreement.

b. **Initial Investment.** Each additional member admitted to the LLC shall make an initial investment in the LLC of a sum based upon the then current market value of the shares of each of the individual members, as determined by initial agreement between the existing members and prospective members, and shall pay any costs that may be incurred to effectuate such additional members' admission to the LLC

c. **Right to Assign LLC Interest.** A member shall have the right to assign all or part of his interest in the LLC. Such an assignment shall be effective only to give the assignee the right to receive the distributions to which his assignor would otherwise be entitled.

2. **Marital Community. If** the interest of any member is held as community property, then that member's spouse does hereby ratify and confirm this agreement, consenting that his or her respective community interest in and to the LLC assets shall be embraced by the terms and provisions of this agreement. The spouse specifically agrees to execute and deliver such documents as shall be necessary and proper to effectuate and implement the intentions and

purposes of this agreement. Furthermore, such spouse, in furtherance of this agreement, shall not make testamentary disposition of his or her community interest in and to the LLC assets in any manner which will contravene the terms and provisions of this agreement, and the personal representative of such spouse shall be obligated to perform this agreement.

3. **Member's LLC Interest in Case of Divorce.** In the event of a divorce, the LLC interest owned by a married couple (or their revocable trust) shall go to the spouse named herein as a member with equivalent assets going to the other spouse. If there are not enough other assets to equal the LLC interest, the other spouse will have a lien on the LLC interest, but not an equity interest that would permit such person to attend LLC meetings.

4. **Priorities as Between Members.** No Member has any right to priority over other members as to contributions or as to compensation by way of income.

5. **Compliance with Law.** Members shall sign and swear to any document required by the Wyoming Limited Liability Company Act and shall cause such document to be filed as required by that Act, and shall take any other action necessary to comply with the requirements of that Act, as provided in the applicable provisions of the Wyoming Limited Liability Company Act.

6. **Assignments by Operation of Law.** If any interest is transferred, assigned or conveyed to an immediate member of a member's family or to an estate of a deceased member, the members shall be notified.

Part 6

4. **Execution of Documents.** In the event of the continuation of the LLC by the remaining members, the former member or his legal representative, as appropriate, shall execute all documents necessary for the continuation of the LLC
5. **Name of LLC.** If the surviving members continue the business under paragraph 6.3 (Continuation of Business) they shall have the right to use the LLC's name without any further payments other than those payable to a withdrawing member under this agreement.
6. **Order of Distribution Upon Dissolution.** Upon dissolution for any reason, the order of distribution shall be as follows:
- a. **Expenses.** Expenses of liquidation.
 - b. **Creditors.** Creditors, of the LLC, including members who are creditors, shall be paid and satisfied to the extent permitted by law for liabilities of the LLC other than liabilities to members for distributions under Wyoming law.
 - c. **Distributions under Wyoming law.** Each member or former member shall receive any distributions under Wyoming law to which he is entitled.
 - d. **Member's Contribution.** Each member shall receive a return of his

contribution.

e. **Interest in LLC.** Each member shall receive the fair value of his interest in the LLC.

f. **Specific Property.** In making the distributions pursuant to sub-paragraphs "d" and "e" of this provision, personal property (including cash) shall be distributed ratably to all the members. As to real property, the members shall seek agreement among all the members as to a disposition thereof and, failing to obtain such approval, shall:

(1) Co-member Deed. Cause a co-member deed to be drawn in which each member shall be named grantee of an undivided tenancy in common interest equal to his percentage interest in the LLC; and

(2) Time of Distribution. Such distribution in dissolution shall be effected as promptly as good business procedure permits.

7. **Preferential Rights - Procedure.** Should a member desire to withdraw from the LLC by assigning his interest to a third party, he shall have the right to do so provided: (I) all members consent to substitute the purchaser as a member; (ii) the LLC or the members are given a right of first refusal; and (iii) if the LLC elects not to exercise the right of first refusal, then the members shall be given preferential rights to purchase their ratable shares. The consent by the members to the member withdrawing and assigning to a third person shall not be unreasonably withheld. Prior to any sale or assignment by a withdrawing member, that withdrawing member shall set forth in writing and deliver to the other members the details of the contemplated sale or assignment.

a. **Preferential Rights - Purchase by LLC.** The LLC shall have 60 days from the date it receives the written details of the contemplated sale or assignment within which to have the LLC, consisting of the remaining members, purchase the interest offered for sale or assignment for like terms.

b. **Preferential Rights - Purchase by Other Members.** If the members cannot agree for the LLC to purchase that interest, then the other members shall have 30 days to give notice to the withdrawing member of their intent to purchase for like terms their pro-rata share of that LLC interest plus their pro-rata share of any remaining member who elects not to purchase his preferential share. The analogous common law relative to preferential rights of shareholders to purchase the shares of another shareholder shall be

incorporated by reference in protecting the rights of the remaining members to exercise their rights to ratably purchase the share of the withdrawing member.

c. Preferential Rights - Assignment to Third Party. If the remaining members fail to purchase the LLC interest offered for sale, then the selling member may complete the sale or assignment to the third party according to the terms of the sale or assignment, provided he has complied with the provisions of this paragraph.

8. **Voluntary Withdrawal and Sale to Third Parties.** A member may sell or assign his interest to a third party provided he complies with the preferential rights defined in this agreement.

9. **Assignment to Issue of Member.** Furthermore, a member may assign to his issue, (including legally adopted issue), either by way of gift or for consideration, without complying with the preferential rights provision of this agreement, and such assignee shall become a member to the extent of the interest which was assigned, provided all members consent in writing to the assignment. This consent shall not be unreasonably withheld.

10. **Voluntary Withdrawal and Sale to Remaining Members - Purchase of Interest.** If a member elects to withdraw from the LLC and cannot comply with the preferential rights provision allowing the withdrawing member to sell or assign his interest to a third party, then the withdrawing member shall have the right to have his interest purchased by the LLC or the remaining members. The member desiring to withdraw from the LLC under this provision shall give 60 days' notice of his intent to have the other members purchase his share by submitting such notice in writing, mailed to all members, with the 60 days running from the date of the postmark on the notice. If the remaining members cannot agree within that 60-day period to have the LLC purchase the withdrawing member's interest according to the terms of this agreement, then the remaining members shall be given 30 days to give notice of their intent to exercise their preferential rights to ratably purchase the interest of the withdrawing member according to the terms of this agreement. If the remaining members individually do not elect within that 30-day period, according to the terms of this agreement, to purchase all the interest of the withdrawing member, then the LLC shall within ten days thereafter give notice of its intent to purchase any portion of the withdrawing member's interest which had not been committed for purchase by the individual members. Should the LLC not purchase that remaining interest, then the LLC shall be dissolved in accordance with this agreement.

11. **Voluntary Withdrawal and Sale to Remaining Members - Value of Interest.** The LLC or members electing to purchase the withdrawing member's interest shall purchase that interest for its fair market value as determined in this agreement according to the terms of purchase prescribed for the LLC or members in this agreement (paragraphs 6.18 [Fair Market Value Determination Upon Other Withdrawals] and 6.19 [Terms of Purchase by LLC or Members]). The price which the remaining members or LLC shall pay for the interest of the withdrawing member shall be discounted 25% from the fair market value. For every year that a member remains in the LLC, the above-stated discount charged against the withdrawing member shall be reduced by one percent. For instance, if the discount is 25% and the member has had an interest in the LLC for three full years, then the discount would be reduced to 22%. The purpose of this provision is to encourage the members to remain in the LLC as long as possible before withdrawing from participation in the LLC. This provision will not prevent the members among themselves agreeing to a fair price to pay for the withdrawing member's interest.

12. **Involuntary Withdrawal Resulting from Creditors' Proceedings, Levies or Bankruptcy.** If the interest of a member is substantially affected by creditors' proceedings, levies on that member's interest, or bankruptcy or other insolvency proceedings of that member, then, in such event, this paragraph shall be applicable. In that event, the remaining members shall have the right to immediately purchase the share of the member affected by the creditors' proceedings for the fair market value determined under this agreement (paragraph 6.18 [Fair Market Value Determination Upon Other Withdrawals]), in accordance with the terms of purchase by the LLC or members (paragraph 6.19 [Terms of Purchase by LLC or Members]). However, the purchase price shall be discounted from fair market value 50% in order to compensate the LLC for the additional risks and problems resulting from the creditors' proceedings. The procedure for effectuating the purchase shall be in accordance with the preferential rights provision of this agreement.

13. **Involuntary Withdrawal Upon Death.** If a member withdraws from the LLC by reason of death, then this provision shall be applicable. The LLC or the members shall, under the preferential rights provision of this agreement, purchase the interest of the deceased member from his personal representative at the fair market value determined upon death, disability or retirement according to this agreement (paragraph 6.15 [Fair Market Value Determination Upon Death]) and upon the terms of purchase by the LLC or the members established by this

agreement (paragraph 6.19 [Terms of Purchase by LLC or Members])). The price which the remaining members or the LLC shall pay for the interest of the deceased member shall be discounted 10% from the fair market value established.

14. **Voluntary or Involuntary Withdrawal in Event of Disharmony.** If the relationship among the members of the LLC becomes negative, strained, and unworkable to the point that the operations of the LLC are in jeopardy, any member may voluntarily withdraw or may be asked to withdraw by the other members. In negotiating and processing the withdrawal, the parties shall strive to minimize stress and strain on the operations of the LLC and to maximize fairness to the withdrawing member and the other members.

15. **Fair Market Value Determination Upon Death.** The fair market value shall be established for the interest of a member who withdraws by reason of death according to this provision. In the event of death, the determination under this paragraph shall be made at the date of death.

a. **Value Determined At Annual Meeting.** The members, at an annual meeting, shall determine the value of the interests of all members in the LLC. When this valuation is set by the members at an annual meeting or at any meeting under this provision, a certificate of value shall be used for this purpose and signed by each member as evidence of the value. This value, if set at the annual meeting, shall control the value should a member die, become disabled or retire thereafter.

b. **Value if not Determined in Annual Meeting.** Should the members fail to agree on the value of the interests of the members in the LLC at an annual meeting of the members in accordance with this provision, then the purchase price shall be the total sum of the following:

(1) **According to Schedule of Interests.** The most recent agreed value as set forth in the latest schedule reflecting the values of the LLC interests, or if none has been set in the first instance, then the agreed values established for the original contributions in Exhibit B of this LLC agreement, plus

(2) **Profits or Losses.** The pro-rata amounts of the net profits or losses of the LLC from the date the valuations were fixed, up through the end of the month in which the death, disability or retirement occurred.

16. **Values Determined According to Usual Accounting Practices.** The determination of

net earnings or losses, in accordance with this provision, shall be made in accordance with the usual accounting practice theretofore used in determining the net earnings or losses of the LLC and shall include a reasonable allowance for federal and state income taxes for the year in which death has occurred.

17. **Members' Interest Determined by Schedule in Exhibit.** The execution by all members of the exhibit reflecting the values of the LLC interests shall reflect the agreement between and among the members that the purchase price determined by that schedule is the full value of each member's interest in the LLC, and that purchase price shall in no manner be altered, and that all assets, both tangible and intangible, if any, as well as all liabilities, including mortgages, liens or other encumbrances of any kind whatsoever, if any, of or upon the assets of the LLC have been considered in determining the value.

18. **Fair Market Value Determination Upon Other Withdrawals.** Withdrawals other than by death shall necessitate the finding of a fair market value of the interest of the withdrawing member, and such value shall be determined according to this provision. The valuation date shall be the end of the month next following the first notice of an intent to withdraw. If no notice has been given by the member, the valuation date shall be the date the LLC received notice from any source that an event of withdrawal under paragraph 6.2 (Events of Withdrawal of a Member) has occurred. The fair market value shall be determined according to the paragraphs 6.1 S(a) and 6.1 5(b), subject to the discounts from fair market value as determined by the applicable provisions of this agreement.

19. **Terms of Purchase by LLC or Members.** This provision establishes a fair method for the members or the LLC to purchase the interest of a withdrawing member. After the price has been determined according to the applicable provisions of this agreement, then the terms are fixed by this paragraph. The withdrawing member shall be paid by the LLC or the remaining members to the extent that they have purchased the interest of the withdrawing member by paying the withdrawing member 10% of the purchase price in cash within 30 days from the date that notice is given to the withdrawing member that the LLC or member has elected to purchase his interest. The balance of the purchase price shall be paid in consecutive monthly payments over a ten-year period, beginning one month from the date that the down payment was made. The balance of the purchase price shall be evidenced by a negotiable promissory note executed

by the LLC or the members to the order of the withdrawing member or his personal representative, with interest on that balance at 1 % above prime at the bank where the LLC has the majority of its accounts on the date of the down payment. The note shall be in the usual form and shall provide for the acceleration of the due date on default in the payment of the note or interest thereon after ten days' written notice of that default, and shall give the makers the option of pre-payment in whole or in part at any time without penalty. At the request of the withdrawing member, the LLC or the members shall give to the withdrawing member a lien on the interest of the LLC thus purchased plus a lien on specific LLC property valued at the amount of the unpaid balance owing to secure the balance of the purchase price until it is paid in full. This lien shall include an assignment of all profits from the LLC payable from that interest in the LLC and can be enforced only if the promissory note is ever in default.

20. **Integration with Buy and Sell Agreements.** It is contemplated that the parties may execute formal buy and sell agreements, and to the extent that such buy and sell agreements are applicable, they shall supersede any corresponding provisions of this agreement relating to the purchase of a withdrawing member's share in the LLC. Furthermore, if life insurance or disability insurance is purchased to fund the payment for the interests of any withdrawing member, then, in such event, the amount of that insurance shall become the down payment on the purchase of the interest of the withdrawing member, and the balance due after applying that insurance shall be memorialized in a promissory note prescribed by the terms. of purchase by the LLC or the member (provision 6.19 [Terms of Purchase by LLC or Members]).

21. **Adjustment to Basis of LLC Interest.** Should the successor in interest to a deceased member request the LLC to elect to adjust the basis of the LLC assets under §§743 and 754 of the Internal Revenue Code of 1986 and any amendments thereto, if such sections apply, the LLC shall do so.

22. **Limitation on Purchase by LLC or Member.** Other provisions notwithstanding, no member's interest shall be redeemed or sold without the concurrence of the Manager. The Manager shall decide, in his sole discretion, whether such redemption or sale is in the best interest of the LLC and withdrawing member and such authorization shall not be unreasonably withheld.

23. **Allocation to Withdrawing Member.** If at any time this LLC would be deemed an investment company under Internal Revenue Code §721 (b), then the withdrawing member shall

receive as a distribution in kind the specific property the withdrawing member contributed in the formation of the LLC under Internal Revenue Code § 721.

Part 7

Miscellaneous

1. **Modification.** No amendment, modification or alteration of this agreement shall be made except upon the written agreement or authorization of all the members. This agreement shall be binding upon and inure to the benefit of each of the members and their respective widows, heirs, executors, administrators and assigns.
2. **Situs.** Agreement shall be construed and governed in accordance with the laws of the State of Wyoming.
3. **Whole Agreement.** The terms of this agreement constitute the entire agreement between the parties, and the parties represent that there are no collateral agreements or agreements not otherwise provided for within the terms of this agreement.
4. **Partial Invalidity.** Any provision of this agreement is held to be invalid or unenforceable, all the remaining provisions shall nevertheless continue in full force and effect.

8. **Interpretation.** Should there be any question in the interpretation of any provision of this agreement, then an interpretation given in writing by the attorney who drew this agreement, whose name appears on the caption page, shall be binding. If that attorney is no longer practicing law at the time such interpretation is required, then a written interpretation by a senior member

of the last law firm with which the named attorney practiced shall be binding. If that law firm has ceased to be in existence at the time of such interpretation, then written interpretation shall be obtained by arbitration.

9. **Parliamentary Law.** Not in conflict with these articles, Robert's Rules of Order, Revised, most recent edition, shall establish the rule of procedure at all annual and special meetings, and the provisions of that publication are incorporated by reference herein as the ruling law for this LLC

10. **Fairness Adjustment.** The parties intend a fair, balanced, and "win-win" arrangement between and among themselves. If this intent is hereafter frustrated by unusual changes in circumstances which occurred outside the control of the parties or from circumstances none of the parties reckoned with at the time of entering into this contract, and which create an undue and unreasonable hardship on any of the parties or gross inequities between the parties, then the parties desire, through fair and reasonable modifications, a rebalancing of the relationship.

Part 8
