Personally known [checked] or
Produced Identification [] Type of identification produced.

- * Include photographs of each plane of the roof with the permit number clearly shown marked on the deck for each inspection. Place a tape measure next to the nailing pattern to show distance between nails.
* Photographs must clearly show all work and have the permit number indicated on the roof.
* Affidavit and Photographs must be provided when final inspection is requested.
* Metal overlay & purlin installations shall have photographs of purlins or underlayment, whichever applies.
