

# PRODUCT APPROVAL SPECIFICATION SHEET

As required by Florida Statute 553.842 and Florida Administrative Code 9B-72, please provide the information and approval numbers on the building components listed below if they will be utilized on the construction project for which you are applying for a building permit. We recommend you contact your local product supplier should you not know the product approval number for any of the applicable listed products.

| Category/Subcategory             | Manufacturer                 | Product Description       | Approval Number(s) |
|----------------------------------|------------------------------|---------------------------|--------------------|
| 1. EXTERIOR DOORS                |                              |                           |                    |
| A. SWINGING                      | Plast Pro                    | Fiberglass Door           | FL #17347.9        |
| B. SLIDING                       |                              |                           |                    |
| C. SECTIONAL                     |                              |                           |                    |
| D. ROLL UP                       | Overhead Door                | Sectional                 | FL #14170          |
| E. AUTOMATIC                     |                              |                           |                    |
| F. OTHER                         |                              |                           |                    |
| 2. WINDOWS                       |                              |                           |                    |
| A. SINGLE HUNG                   | M.I                          | Vinyl window              | FL #17676          |
| B. HORIZONTAL SLIDER             |                              |                           |                    |
| C. CASEMENT                      |                              |                           |                    |
| D. DOUBLE HUNG                   |                              |                           |                    |
| E. FIXED                         |                              |                           |                    |
| F. AWNING                        |                              |                           |                    |
| G. PASS THROUGH                  |                              |                           |                    |
| H. PROJECTED                     |                              |                           |                    |
