49329

A photograph showing a lizard perched on a metal bracket. The bracket is attached to a wooden beam. Below the bracket is a piece of light-colored material with the number '49329' written on it. The background consists of wooden framing and a textured surface.

49329

A close-up photograph of a wooden beam. On the left, a grey metal vent with horizontal slats is attached to the wood. To the right of the vent, the number '49329' is handwritten in black marker on a light-colored surface. Below the beam, a metal bracket is visible, and the background shows a textured surface, possibly insulation or a wall.
