SUBJECT: Bid No 2021-J ULV APPROVED ADULTICIDE PermaSease 4-4 - Global PBO shortage

Dear Board of County Commissioners

Thank you for your inquiry regarding ordering PermaSease 4-4. Unfortunately, there is currently a global wide permethrin shortage, and we will not be able to fulfill any orders at the current bid prices due to increases incurred from the manufacturer, CSI. ADAPCO has also experienced significant freight increases.

We can provide the below products with pricing valid until 12/31/2022 or until inventory is depleted.

1. One 275 gallon tote available of PermaSease 4-4 @ \$26.00/gl for a total of \$7,150.00/tote.
2. 55 gallon drums of PermaSease 4-4 are available @ \$29.00/gl or \$1,595.00/drum.
3. Delivered prices valid until 12/31/2022.

We continue to work diligently to provide the lowest cost PermaSease 4-4 now and in the future.

The prices we can offer for the remainder of the bid are below. These prices would be valid from 01/01/2023 until 11/23/2023. Should prices decrease lower prices would be honored.

1. \$29.67/gl for 275 gl totes of PermaSease 4-4, please call first for availability.
2. \$32.45/gl for 55 gl drums of PermaSease 4-4, please call first for availability.
3. \$35.33/gl for 2x2.5 gl cases of PermaSease 4-4, please call first for availability.
4. Delivered prices valid from 01/01/2023 until 11/23/2023.

I have attached the manufacturers letter for backup.

We apologize for this inconvenience for so many. Please contact your sales representative Trey English or Ted Bean at (800) 367-0659 if you have any further questions or need any additional information.

Regards,

Andy Pierce
