

**COLUMBIA COUNTY, FL BOARD OF COMMISSIONERS
BID NO. 2007-Q
ELLISVILLE PUBLIC SUPPLY POTABLE WATER WELLS (2)**

ADDENDUM ONE (1)

Clarifications from pre bid meeting:

1. It is the intent of the County to award a contract for the construction of two wells based on the scope of work and specifications given in the bid documents. The County is aware that there are items that will be necessary to complete the project that are not listed in the specifications. The bid price shall be for those items listed in the specifications. These items along with contractor qualifications and experience shall be used to determine the most responsive bidder. All other items determined by the engineer and contractor to be necessary in order to complete the project shall be negotiated in a final contract.
2. Please note the following change under the scope of work paragraph:
Additionally the contractor shall provide a list of prior experience to similar projects along with ~~three~~ references for Public Supply Potable Water Wells installed. ~~of~~
~~comparable size.~~
3. The temporary test well will be available for use as a water supply during construction.
4. Please provide a separate cost for the removal of drill mud.
