Roadside Mowing and Litter Removal 2011-A

Request for Information # 1

2. The number of acres for roadside mowing.

Columbia County contracts per linear mile and does not calculate the number of acres. The right-of-way mowing width varies depending on the road and it is the contractor's responsibility to review the roads listed.

3. Under the current contract how many times was it mowed last year?

Last year the County paid for five mowing cycles and seven litter pickups.
