

Roadside Mowing and Litter Removal 2011-A

Addendum One

1. During the pre-bid meeting the following question was ask: Is there a bond requirement?

The answer was no.

To clarify: There is no bid bond required however a performance bond for the annual amount of the contract is required.

2. During the pre-bid it was stated that if the contractor determined that they would no longer be able to perform the contract that they would be let out the contract. This is only after the end of the final cycle in a given year. The contractor must notify the mowing director that they do not wish to renew the contract.

All Bidders please sign below acknowledging the receipt of addendum one and return with bid.
