

Addendum # 2

1. Field testing will not be required for the Backflow Prevention Devices. In each case the preventer will be a testable device.
2. At time of award, furnish certificates of insurance with Columbia County Board of Commissioners named as additional insured on Accord 25 form. Insurance policies are to be written by companies authorized to do business under the laws of the State of Florida.

Proof of insurance will include:

- Comprehensive General Liability will be the minimum required by the State of Florida for "Bodily Injury Limits", "Property Damage Limits" and "Personal Injury Limits".
- Worker's Compensation Insurance at required "State of Florida" limits. Bidders that qualify for an exemption under Florida Worker's Compensation law in Chapter 440 Florida Statutes are detailed below:
- Incorporated or unincorporated firms with less than four (4) employees shall be required to sign a Hold Harmless Agreement relieving the County and Home Owner of liability in the event they and/or their employees are injured while providing goods and/or services to the County.

Certificate Holder will be as follows:

Columbia County Board of Commissioners
