WHEEL LOADER  
QUESTIONS AND ANSWERS**

Can you specify what particular warranty that Columbia County is requesting? There a variety of warranty options available that I'm assuming all other manufacturers offer as well:

1. Premier
2. Powertrain
3. Powertrain & Hydraulics
4. Powertrain, Hydraulics & Major Components (Answer)
5. Engine Only

1. In regards to the Wheel loader bid Page 2 Section 2. If the delivery time will be more than 30 days will that result in an definite bid rejection or does that time frame of more than 30 days only need to be disclosed on the bid form at time of bid submittal and will be part of the overall bid proposal consideration?

In regards to page 2 section 2 the 30 days will not cause bid rejection, delivery will be part of the bid tabulation.

2. In regards to the Wheel loader bid Page 6. Is the 5yr buy back a definite action that the county will take or will it that be determined at that 5yr/7500hr time frame?

Page 6 Buy back will not be a definite action but will be determined after at the 5 year mark.

3. In regards the the Wheel loader bid Page.6 Is the county seeking a Root Rake with hydraulic top clamps or a Bucket with Hydraulic top clamps? The specification states both a Rake and Bucket to have top clamps at least 1/3 from each side.

The bucket is to be a general use bucket no clamps, clamps are to be on the root rake only
