

July 8, 2016

ADDENDUM 1  
BID NO. 2016-6  
Mt. Carrie Rd  
Questions and Answers

1. The pay items used for the 12"x18" sidedrain pipe and MES are incorrect. We used an equivalent pipe size of 18" when it should have been 15". The proper numbers should have been

12x18 elliptical pipe      430-174-215

12x18 MES                      430-984-623

The bidders should base their prices on 12x18 elliptical pipe and MES.

2. Do you require As-Built Plans? On Sheet No. 6, Note #18 on plans states that the As-Built plans be submitted to Suwannee County Commissioner and not Columbia County.

As- Built plans are not needed for this project.
