Edge, weed eat, and mow sidewalk areas from road edge to the county right-of-way. Blowing sidewalks off upon completion.

- **2022-JJ Urban Mowing -- approx. 245 acres – plus 6 county sites weekly**

Litter or debris may consist of but is not limited to varied sizes of bottles, cans, paper, tires, tire pieces, lumber, vehicle parts, metal junk, brush, and other items to be removed under this work. Tractors or heavy equipment must not be used, to avoid damage to sidewalk areas.

## **SECTION III. SPECIFICATIONS**

### **1. Frequency of Maintenance**

The Roadside Mowing Director will determine when to begin. Areas or portions of areas may be increased or decreased, as determined by the Roadside Mowing Director. The total number and the timing of mowing will depend upon the conditions that exist. Sidewalk areas should be maintained a minimum of **eight (8)** times, starting in April 1<sup>st</sup> and ending November 30<sup>th</sup>. May be increased as determined by the county due to the intensity of growth. (Note: there are 6 locations that require weekly maintenance).

The first cycle shall begin within 10 business days of owner notification, typically during April 1 – May 15th and the eighth (8th) cycle shall be completed no later than November 30<sup>th</sup> of each year.

Litter is to be removed from the right-of-way directly in front of the mowing crew. Litter removal shall be performed in the area not more than one hour before it is to be mowed. The County will require additional litter removal if mowed over during maintenance at contractor's expense.

Where landscaping has been established or natural landscaping has been preserved, mow conforming to the established mowing contours. Mow up to the limits maintained by the County and around existing appurtenances located within the roadway right-of-way as directed by the Roadside Mowing Director. Although some areas may appear to have been neglected or left out of previous mowing the contractor shall be responsible for mowing entire County right of way.

During the Spring, several rural roadways in Columbia County bloom with wildflowers. The service provider(s) will be given a list of areas to avoid mowing and the approximate time frame for such areas to be avoided. The avoidance of these areas will not have any effect on the calculations for payment. Wildflower plots shall be mowed approximately four (4) times per year. Wildflower plots or naturally occurring wildflowers established in an area approximately 10' x 10' or larger shall be avoided when in bloom until next mowing cycle to aid in re-seeding. Wildflowers to be avoided are limited to some varieties of Coreopsis and Drummondii Phlox. No deduction will be made from the pay quantities for any one wildflower area not mowed. Quantities shall be agreed upon prior to beginning work in any area in question.

The Roadside Mowing Director will determine the type of mowing, the estimated number of acres to be accomplished within a specified number of calendar days (cycle), when to begin each mowing cycle, and the total number of cycles. **The minimum number of cycles is eight (8) for each type of mowing. (Note: a portion requires weekly maintenance).**

A penalty of ten-percent (10%) will be assessed against the Contractor if the mandated eight (8) cycles is not adhered to for base bid. The penalty will be subtracted from the Contractor's total amount for the cycle being billed. The Contractors may request an extension of time for roads not be capable of being mowed due to adverse conditions, i.e.: flooding, tree trimming, etc.

The acres to be paid under the contract may be reduced due to but not limited to the following conditions: construction, flooding, other natural disasters, etc.

## 2. Equipment

Mowing contractor must provide necessary equipment to complete mowing maintenance and trim crew to follow to clean around appurtenances in each zone.

Equip vehicles and mobile equipment used on the project with a minimum of one class 2 amber or white flashing light that meets the Society of Automotive Engineers recommended practice SAE J845 and SAE J318. The Roadside Mowing Director may require a white flashing light meeting the above requirements when conditions reduce the effectiveness of amber light.

Ensure all equipment safety devices recommended by the manufacturer are installed and properly maintained.

Park vehicles and equipment not in use or left on the right-of-way overnight as close as possible to the right-of-way line and always outside of the applicable clear zone. Conduct service and supply operations as close to the right-of-way line as possible

Equipment that is utilized to transport litter will be constructed in a manner to preclude further distribution or loss of litter along the roadway. Cover and secure all open top carriers with tarpaulins.

Submit a written request for approval, to the Roadside Mowing Director, for the use of specialized equipment designed for mechanized removal of litter and debris. Demonstrate satisfactory results at no cost to the County that the specialized equipment will produce quality litter removal, if deemed necessary by the Roadside Mowing Director. The Roadside Mowing Director may require additional safety devices or precautions unique to the equipment.

Equipment that damages curbs, pavement, or turf will not be allowed.

Equip all mowing equipment with a slow moving vehicle sign located on the rear of the equipment or amber flashing light or white strobe light mounted on the mower, protective devices on the mower to prevent objects from being thrown into traffic, and safety devices installed by the manufacturer. Properly install and maintain safety devices at all times when the equipment is in use.

If the Roadside Mowing Director determines that any equipment is deficient in safety devices, remove the equipment from service immediately. Keep the equipment out of service until the deficiency is corrected to the satisfaction of the Roadside Mowing Director. Inspection of the equipment by the Roadside Mowing Director will not relieve the Contractor of responsibility or liability for injury to persons or damage to property caused by the operation of the equipment, nor will it relieve the Contractor of the responsibility to meet the established time for the completion of the mowing cycle.

Maintain the mowing equipment so as to produce a clean, sharp cut and uniform distribution of the cuttings at all times. The mowing equipment used will have the capability of cutting a height from 3 inches to 10 inches. **Blade sharpening should be done as many times per week as necessary to produce a clean cut as determined by the Roadside Mowing Director.**

Furnish equipment of a type and quantity to perform the work satisfactorily within the time specified herein.

### 3. Limitation of Operation

Maintenance of traffic will be in accordance with Section 103 of the Florida Department of Transportation Standard Specifications for Road and Bridge Construction (latest edition).

No work shall be performed on Sundays. All work shall be performed during daylight hours.

Workmen will wear orange clothing of high visibility such as a vest, shirt, or jacket, when performing maintenance operations.

Maintenance of traffic will be in accordance with Section 103 of the Florida Department of Transportation Standard Specifications for Road and Bridge Construction (latest edition).

When mowing within four (4) feet of the travel-way (travel lane), operate the equipment in the same direction of the traffic, unless the adjacent lane is closed to traffic. All lane closures will have the prior approval of the Roadside Mowing Director. Mowers may operate in either direction when mowing four (4) feet or more from the travel-way.

No work shall be performed on Sundays. All work shall be performed during daylight hours.

The foregoing requirements are to be considered as minimum and compliance will in no way relieve the Contractor of final responsibility for providing adequate traffic control devices for the protection of the public and employees throughout the work areas.

4. Disposal of Litter and Debris

Provide locations for disposal and remove all litter that has been placed in trash bags for pick up from the right-of-way at the end of each working day. Be responsible for disposal of litter and debris and any cost that may incur in accordance with applicable local and state laws. Storage or stockpiling of litter or debris on the right-of-way will not be permitted.

Provide the landfill receipts with each invoice submittal so the County may track tonnage removed.

5. Quality

Completed areas will be reviewed for quality and acceptance by the Roadside Mowing Director. Areas determined to be unsatisfactory, by the Roadside Mowing Director, will be re-cleaned or re-mowed at no additional cost to the County. Areas will be cleaned in a manner that they are left reasonably free of all litter and debris. The Roadside Mowing Director will not penalize for litter and debris that may have been deposited between the time the work was completed and the time when the Roadside Mowing Director approves the work.

Mow all grass and vegetation to a height suitable for conditions in all areas. When determined by the Roadside Mowing Director, certain areas, due to location, may be cut to a specified height due to use of that location. No streaking or scalping will be allowed in the areas mowed. Mowing areas of different widths will be connected with smooth flowing transitions. No accumulation or piling of cuttings will be allowed as a result of cleaning of the equipment.

Mow all grass and vegetation on slopes or around appurtenances to the same height and quality or lower than the surrounding mowed area. It is not required to remove grass or other vegetation cuttings from the right-of-way, or required to rake or pick up the cuttings. Negligence that results in damage to turf, curbs, sidewalks, pavement, signs or structures, mail boxes, appurtenances, etc. will be repaired or replaced to the satisfaction of the Roadside Mowing Director at no additional cost to the County. Complete repairs prior to

submission of the invoice for work accomplished during the cycle. If the contractor fails to make the necessary repairs within five working days the Public Works department will make the repairs and shall deduct the cost of those repairs from the Contractor's next invoice.

6. Mowing

Mow grass or vegetation in roadside areas with conventional mowing equipment a minimum of eight (8) times per year. Vegetation consists of planted and/or natural grasses, weeds, and other vegetation within the area to be mowed. Urban mowing areas consist of approximately 245 acres (see attached list); included with this scope of work are six (6) county owned properties (see attached list) to be mowed weekly during the same period.

7. Urban Mowing: This consists of roadside mowing narrow streets or roads, some with curb and gutter. With maintenance consisting of but not limited to mowing, edging, weed eating, and litter removal. There are some larger open mowing areas for parking or practice areas and other areas of open fields around drainage pond locations. Equipment should be determined by contractor for size of area to be maintained to ensure no damage to infrastructure. All locations with curb and gutter require total maintenance and edging. (Six locations require weekly maintenance).

8. Types of Mowing Areas

- A. General: The Roadside Mowing Director will determine the areas to be cut and type of mowing to be accomplished in each.

- D. Intermediate Machine Mowing: Intermediate machine mowing consists of mowing areas not accessible by large machine mowing equipment but not conducive to the use of small machine mowing equipment. These areas consist of shoulders, roadside ditch bottoms, raised median islands, various width utility strips, and similar areas.

NOTARY PUBLIC, State of \_\_\_\_\_

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting*, later, for further information.

**Note:** If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

**Definition of a U.S. person.** For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

**Special rules for partnerships.** Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

**Foreign person.** If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515, *Withholding of Tax on Nonresident Aliens and Foreign Entities*).

**Nonresident alien who becomes a resident alien.** Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

**Example.** Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

## Backup Withholding

**What is backup withholding?** Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

**Payments you receive will be subject to backup withholding if:**

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the instructions for Part II for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships*, earlier.

## What is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the instructions for the Requester of Form W-9 for more information.

## Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

## Penalties

**Failure to furnish TIN.** If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

**Civil penalty for false information with respect to withholding.** If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

**Criminal penalty for falsifying information.** Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

**Misuse of TINs.** If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

## Specific Instructions

### Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account (other than an account maintained by a foreign financial institution (FFI)), list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9. If you are providing Form W-9 to an FFI to document a joint account, each holder of the account that is a U.S. person must provide a Form W-9.

a. **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

**Note: ITIN applicant:** Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. **Sole proprietor or single-member LLC.** Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or "doing business as" (DBA) name on line 2.

c. **Partnership, LLC that is not a single-member LLC, C corporation, or S corporation.** Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2.

d. **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on line 2.

e. **Disregarded entity.** For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulations section 301.7701-2(c)(2)(iii). Enter the owner's name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2, "Business name/disregarded entity name." If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

### Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

### Line 3

Check the appropriate box on line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box on line 3.

Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) written or printed on the line for a FATCA exemption code.

## Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, write NEW at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

## Line 6

Enter your city, state, and ZIP code.

## Part I. Taxpayer Identification Number (TIN)

**Enter your TIN in the appropriate box.** If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

**Note:** See *What Name and Number To Give the Requester*, later, for further clarification of name and TIN combinations.

**How to get a TIN.** If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at [www.SSA.gov](http://www.SSA.gov). You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at [www.irs.gov/Businesses](http://www.irs.gov/Businesses) and clicking on Employer Identification Number (EIN) under Starting a Business. Go to [www.irs.gov/Forms](http://www.irs.gov/Forms) to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to [www.irs.gov/OrderForms](http://www.irs.gov/OrderForms) to place an order and have Form W-7 and/or SS-4 mailed to you within 10 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

**Note:** Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

**Caution:** A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

## Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

**Signature requirements.** Complete the certification as indicated in items 1 through 5 below.

**1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983.** You must give your correct TIN, but you do not have to sign the certification.

**2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983.** You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

**3. Real estate transactions.** You must sign the certification. You may cross out item 2 of the certification.

**4. Other payments.** You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

**5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), ABLÉ accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions.** You must give your correct TIN, but you do not have to sign the certification.

**Secure Your Tax Records From Identity Theft**

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

**Protect yourself from suspicious emails or phishing schemes.** Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to [phishing@irs.gov](mailto:phishing@irs.gov). You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at [spam@uce.gov](mailto:spam@uce.gov) or report them at [www.ftc.gov/complaint](http://www.ftc.gov/complaint). You can contact the FTC at [www.ftc.gov/idtheft](http://www.ftc.gov/idtheft) or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see [www.IdentityTheft.gov](http://www.IdentityTheft.gov) and Pub. 5027.

## Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons (including federal agencies) who are required to file information returns with the IRS to report interest, dividends, or certain other income paid to you; mortgage interest you paid; the acquisition or abandonment of secured property; the cancellation of debt; or contributions you made to an IRA, Archer MSA, or HSA. The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and possessions for use in administering their laws. The information also may be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 3406, payers must generally withhold a percentage of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to the payer. Certain penalties may also apply for providing false or fraudulent information.

#### II. PERMITS AND INSURANCE

Prior to commencement of services pursuant to this Agreement, the Contractor shall provide the County copies of all current and applicable permits together with all insurance documents set forth in the bid documents.

Unless terminated by giving written notice under this part, this Agreement shall renew for one (1) successive two (2) year term, for a total of three (3) years. Up to ninety (90) days but not fewer than thirty (30) days prior to the end of the initial or any subsequent term of this Agreement, Contractor may notify the County of Contractor's desire not to renew this Agreement, such that on the last day of the term this Agreement shall terminate. This provision shall not be construed in any manner to require either party to renew this Agreement.

## VI. INDEMNITY

Contractor ("indemnitor") shall indemnify, save and hold County, its officers and employees, agents, successors, and assigns (individually and collectively, "indemnitee") harmless from and against and in respect of any act, judgement, claim, domain, suit, proceeding, expenses, orders, action, loss, damage, cost, charge, interest, fine, penalty, liability, reasonable attorney and expert fees, and related obligations (collectively, the "claims") arising from or related to any action, neglect or omission of Contractor in its performance under the Agreement, whether direct or indirect including but not limited to, liabilities, obligations, responsibilities, remedial actions, losses, damages, punitive damages, consequential damages to third parties, treble damages, costs and expenses, fines, penalties, sanctions, interest levied and other charges levied by other federal, state and local government agencies on County by reasons of Contractor's direct or indirect actions. Nothing herein shall be interpreted by the parties or any third party that County waives its sovereign immunity otherwise provided by law. For purposes of this section, the term County shall include County, officers, and its employees.

## VII. INTEGRATION

This written instrument constitutes the entire Agreement between the County and the Contractor. All prior and contemporaneous agreements and understandings, whether oral or written, are without effect in the construction of any provision if they alter or otherwise vary any term or condition set forth in this instrument.

## VIII. RIGHT TO REQUIRE PERFORMANCE

The failure of the County at any time to require performance by the Contractor of any provision of this Agreement shall in no way affect the right of the County thereafter to enforce such provision. Nor shall waiver by the County of any material breach of any terms of this Agreement be taken or held to be a waiver of any subsequent material breach of such term or as a waiver of any provision of this Agreement.

## IX. AMENDMENT

Any change in Contractor's ownership shall, for purposes of the Agreement, be considered a form of assignment. The County shall not unreasonably withhold its approval of a requested change in ownership, so long as the transferee is of known financial and business integrity for the undertaking and can conclusively demonstrate the ability to perform all terms and conditions and obligations of this agreement.

**XII. PRODUCT ENDORSEMENT/ADVERTISING**

Contractor shall not use the name of the County for the endorsement of any commercial products or services or Contractor's logo or brand name without the expressed written permission of the County. This shall not prevent Contractor from informing third parties of Contractor's contract with County and naming County as a business reference for Contractor.

**XIII. WARRANTY REGARDING CONSIDERATION AND PROCUREMENT**

Contractor warrants that it has not employed or retained any company or person other than a bona fide employee working solely for the Contractor to procure or solicit any agreement under this procurement, and that it has not paid or agreed to pay any company or person, other than a bona fide employee working solely for the Contractor, any fee, commission, percentage, brokerage fee, gifts, or other consideration contingent upon or resulting from this procurement. Violation of this warranty shall constitute default of this Agreement.

**XIV. RELATIONSHIP OF THE PARTIES**

Contractor is an independent contractor. Nothing in the Agreement shall be construed to create a relationship of employer and employee or principal and agent, partnership, joint venture, or any other relationship other than that of independent parties contracting with each other solely for the purpose of carrying out the provisions of the Agreement. Nothing in the Agreement shall create any right or remedies in any third party, it being solely for the benefit of the County and the Contractor.

XV. AGREEMENT TO PAY ATTORNEY'S FEES AND EXPENSES

In the event either party should default under any of the provisions of this agreement and the other party should employ attorneys or incur other expenses for the collection of amounts due or the enforcement of performance or observance of any obligation or agreement on the part of either party, the prevailing party shall recover from the other party the reasonable fee for such attorneys and such other reasonable expenses and costs so incurred.

Contractor will maintain original or copies of its records regarding or arising out of this agreement for a minimum of five (5) years after the termination of this agreement and shall make such records reasonably available to the County upon request.

**IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE COUNTY'S CUSTODIAN OF PUBLIC RECORDS: Records Custodian, P.O. Box 1529, Lake City, Florida 32056-1529, (386) 752-1326, [bccadmin@columbiacountyfla.com](mailto:bccadmin@columbiacountyfla.com).**

XIX. ADDITIONAL CONVENANTS

Contractor hereby agrees that it will not bring an action in any court or other forum seeking to void, nullify, terminate or set aside this Agreement on the grounds that the Agreement does not comply with the laws of Florida, including the Constitution of the State of Florida as revised in 1968 and subsequently amended (the "Constitution"). For clarification, the parties agree that the foregoing is not an acknowledgement by either party that this agreement does not comply with the laws of the State of Florida, including the Constitution,

and that the foregoing statement does not amend, modify or limit the parties' respective representations herein. Notwithstanding anything in this Agreement to the contrary, neither party will be liable to the other party for any indirect, incidental, loss of profits, punitive, exemplary, special or consequential damages of any kind whatsoever arising out of or relating to this Agreement to the extent and in the event a court of competent jurisdiction should declare all or any material portion of this Agreement contrary to law or otherwise invalid.

#### XX. SURVIVAL OF REPRESENTATIONS AND WARRANTIES

#### XXI. BID DOCUMENTS INCORPORATED

This Agreement, to the extent applicable, shall include the terms, conditions, scope of work, and specifications of County's Bid No. 2022-JJ. However, the foregoing agreement shall govern and take precedence in the event of any conflict between the foregoing agreement and the bid documents.

#### XXII. PERFORMANCE IN CASE OF SUBSEQUENT AWARD TO THIRD PARTY

Should Contractor fail to prevail in a future procurement cycle, Contractor shall provide all services required in and under this Agreement until the ending date of this Agreement or any agreed extension of this Agreement. To insure continued performance fully consistent with the requirements of this Agreement through any such period, the Contractor shall continue all operations and support services at the same level of effort and performance as were in effect prior to the award of the subsequent agreement to a competing organization, and shall fully cooperate with the County in providing non-proprietary data and information which will assist in an orderly transition of the service to the new contractor. Contractor shall make no changes in methods of operation which could reasonably be considered to be aimed at cutting Contractor's service and operating cost to maximize profits during the final stages of the Agreement. However, County recognizes that if a competing organization should prevail in a future procurement cycle, Contractor may reasonably begin to prepare for transition of service to the new Contractor. County shall not unreasonably withhold its approval of Contractor's request to begin an orderly transition process, including reasonable plans to relocate staff, scale down certain inventory items, etc., as long as such transition activity does not impair Contractor's performance during this period.

XXIII. E-VERIFY REQUIREMENTS In compliance with Section 448.095, Fla. Stat., Contractor and its subcontractors shall register with and use the E-Verify system to verify work authorization status of all employees hired after January 1, 2021.
