

ADDENDUM NO 2
ITB 2025-W
GENERATOR MAINTENANCE AND EMERGENCY SERVICES

Questions and Answers

1. **Can you provide a list of Model Numbers?**
 - a. **Attached**
2. **Can you provide a list of Site Address?**
 - a. **Attached**
3. **Task 5 - Air Filter - Inspect and replace as necessary - will this be billable?**
 - a. **Yes, if the filter can be cleaned enough to work until the next scheduled maintenance visit, it should be replaced at that time and billed accordingly**
4. **Task 10 - (B) - Please clarify definition of Clean - will this be billable?**
 - a. **No, this is regarded as routine maintenance – Validate there is not any debris or dust that could impede the Generator functionality.**
5. **Task 11 - (M) Are any of the exhaust Systems modified to connect device?**
 - a. **No.**
6. **Additional repairs unable to be seen during original diagnostic - will these be billable when identified / quoted?**
 - a. **Yes, quote will be evaluated by County staff before being accepted.**
7. **What is this time requirement?**
 - a. **Refer to section 6(b)**
8. **This clause “Default-Fixed-Price Supply and Service” is referenced but there are no documents or sections that further define the clause. Can the County provide the full text of this clause?**
 - a. **Clause is in accordance with F.A.R. 52.249-8 and 49.504**
