

**ADDENDUM NO 1  
2026-01  
2025-2026 ANNUAL RESURFACING – D4**

**QUESTIONS AND ANSWERS**

- 1. The plans call for 2 56 LF runs of 24" RCP , for the cross drain on sheet no. 4, and the bid form quantity calls for only 68 LF total. I'm assuming we put an accurate unit price and we'll adjust accordingly to quantity but want to verify.**
  - A. Please input the unit pricing as advertised in the Bid Form.
  
- 2. What is the proposed sequence of construction and MOT plan for replacing cross drain? Will we be able to divert traffic to use alternate routes for a minimal amount of time or will only 1 lane allowed to be closed at a time?**
  - B. See General Requirements Section V of the Bid Documents.
