J. Additional Covenants.

1. Contractor hereby agrees that it will not bring an action in any court or other forum seeking to void, nullify, terminate or set aside this agreement on the grounds that the agreement does not comply with the laws of Florida, including the Constitution of the State of Florida as revised in 1968 and subsequently amended (the "Constitution"). For clarification, the parties agree that the foregoing is not an acknowledgment by either party that this agreement does not comply with the laws of the State of Florida, including the Constitution, and that the foregoing statement does not amend, modify or limit the parties' respective representations herein.
2. Notwithstanding anything in this Agreement to the contrary, neither party will be liable to the other party for any indirect, incidental, loss of profits, punitive, exemplary, special or consequential damages of any kind whatsoever arising out of or relating to this Agreement to the extent and in the event a court of competent jurisdiction should declare all or any material portion of this Agreement contrary to law or otherwise invalid.

K. Survival of Representations and Warranties.

However, the foregoing agreement shall govern and take precedence in the event of any conflict between the foregoing agreement and the bid documents.

M. Performance in Case of Subsequent Award to Third Party.

Should Collector fail to prevail in a future procurement cycle, Collector shall agree to provide all services required in and under this Agreement until the ending date of this Agreement or any agreed extension of this Agreement. To insure continued performance fully consistent with the requirements of this Agreement through any such period, the Collector shall continue all operations and support services at the same level of effort and performance as were in effect prior to the award of the subsequent agreement to a competing organization, and shall fully cooperate with the County in providing non-proprietary data and information which will assist in an orderly transition of the service to the new collector. Collector shall make no changes in methods of operation which could reasonably be considered to be aimed at cutting Collector's service and operating cost to maximize profits during the final stages of the Agreement. However, County recognizes that if a competing organization should prevail in a future procurement cycle, Collector may reasonably begin to prepare for transition of service to the new collector. County shall not unreasonably withhold its approval of Collector's request to begin an orderly transition process, including reasonable plans to relocate staff, scale down certain inventory items, etc., as long as such transition activity does not impair Collector's performance during this period

To allow customers with high usage of the Winfield Solid Waste Facility the privilege of charging their tippage fees with billing at the end of the month; the County shall require a pre-paid deposit at the time of initial account setup equivalent to a minimum of \$150 or a maximum of 20% of average previous 3 months tippage fees to be paid in advance. If a new customer with no previous history, the deposit will be \$150.00. For approved franchise haulers the deposit fee will be reduced by the \$500 franchise licensing fee.

- (1) Made more than one late payment, or
- (2) Paid by a check refused/returned by a bank.

The deposit shall be reduced at a prorated percentage as follows:

After the first 12 months 30% of deposit shall be credited toward account on the next billing cycle;

After the next 12 months an additional 30% of deposit shall be credited toward account on the next billing cycle;

After the next 12 months an additional 30% of deposit shall be credited toward account on the next billing cycle; until amount of deposit reaches the minimum 10% retainage.

Delinquency:

The County shall have the option to increase the deposit after a 90 day delinquency and/or continued late payments within a 12 month period. The increased amount of the deposit shall not exceed \$150 or 20% of monthly tippage fees based on previous billing history and credit of \$500 licensing fee for franchise haulers. Non- franchise haulers shall have deposit increase to 30% of monthly tippage fees.

In order to have deposit reduced the customer must maintain the same level for an additional 12 month period to be eligible for the 30% of deposit refund the next year.

Billing Practices:

(1) The county will bill the customer for tippage fees at the end of the month. Bills will become due on the first day of the next month and past due on the 27th day of that month.

(2) After the 27th day of the month, all bills will be considered past due.

(3) An account that is past due and remains past due for 90 days; will be placed inactive until balance is paid in full.

(4) An account that is past due and remains past due for six (6) months will have their deposit applied toward the past due bill and the account will be closed. All lawful means of collecting outstanding balances will be enforced.

(5) An account that has been closed by the county for failure to pay and their deposit was applied to their bill shall be required to pay another pre-paid deposit equivalent to \$150 or 20% of the last (3) months average tippage fees to re-open the account.

The effective date of this policy is 5th day of September 2013.
