

ADDENDA NO. 1
RFQ 2022-U
PROFESSIONAL PLANNING & ENGINEERING
REVIEW SERVICES

Please be advised, the Scoring Matrix in Section 9.2 of the Specifications makes reference to a minimum of three years in working with local government for similar services. This experience is based on the individual(s) professional that may be assigned to this project without regard to the number of years of experience by the firm itself. Therefore Section 3.2 is amended to read as follows: “Firms, or individual professionals of the firm, must have provided in Florida, consulting services that relate to the required services listed in Section 2.0 for at least three (3) years.

Also, in Section 8.2, add the date: April 15
