

Addendum 1
Roadway Design and Surveying Services
SW Cypress Lakes Road and SW Charles Terrace
Bid No. 2019-T

1. What are the limits of the project on both roadways? It appears that the portion of Cypress Lake Road from Charles to SR 247 has been previously improved (pavement, ditches, etc.) Is this portion of the Cypress Lake corridor anticipated for rehabilitation or is the project limited to the corridor west of Charles Terrace? What is the westerly limit of the proposed improvements along Cypress Lake? UNPAVED PORTION OF CYPRESS LAKE
ALL OF CHARLES

2. Does the County desire for the Consultant (Surveyor) to develop Final Right-of-Way Maps under this scope? The scope notes that the consultant will develop preliminary Right-of-Way maps during the Concept Plan development, but does not mention Final Right-of-Way mapping further into the project development. Please advise.
YES, FINAL ROW MAPS WILL BE REQUIRED

3. What is the County's anticipated schedule for consultant selection, NTP, and for Final project delivery?

CONSULTANT SELECTION – 1-2 MONTHS AFTER RFQ SUBMITTAL
PROJECT TO BE UNDER CONSTRUCTION BEFORE OCTOBER 2020
