WHO WE ARE

We're Ecowaste Solutions, and we build our teams from the communities we serve. We hire locally first, because we believe the people picking up your trash should be your neighbors, not strangers passing through. Your community is our community too.

We're more than your home's weekly curbside pickup. Beyond your house, we can handle waste collection for construction projects and local businesses too: dumpsters, compactors, and everything in between. Whatever it takes to keep the Columbia County community running clean, we're the partner for that.

The strength of a region. The heart of a neighbor. That's who we are, and that's what we're bringing to Columbia County.

CART & COLLECTION 101

COLLECTION SCHEDULE

Your pickup day stays exactly how it is for curbside collection and yard waste! Here's what to know about how it works:

**COLLECTION RUNS FROM 7:00 AM UNTIL SUNSET.
HAVE YOUR CART OUT BY 7:00 AM FOR SERVICE.**

BACK DOOR SERVICE

If you're disabled or homebound, we'll come to your back door once a week at no extra charge, just call our team and get a doctor's statement on file with us. Prefer twice-a-week curbside pickup instead? We can set that up for an additional fee.

HOLIDAY SCHEDULE

We take New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, and Christmas Day off. If your pickup lands on one of those days, we'll service your home before your next route day.

WASTE TIP: KEEP YOUR CURRENT CART

Nothing to swap out, nothing to order. The cart at your curb right now is the cart you'll use on October 1 and every week after.

WHITE GOODS & FURNITURE

Got a fridge, washer, dryer, water heater, or an old couch to get rid of? Give us a call and we'll pick it up curbside within three days. Your first two pickups each year are free. After that, it's \$10 an item, and will be billed by Ecowaste.

YARD WASTE

We collect yard waste every week. We can take bags or bundles. Please keep bundles under 4 feet and 40 pounds with no dirt and rocks.

BULK YARD DEBRIS

Bigger cleanup on your hands? Call us to schedule a bulk pickup. We bill that one per call; the County covers the disposal fees so you only pay for us to haul it to the landfill.

BILLING IN YOUR AREA: WHO BILLS YOU FOR WHAT

QUESTIONS?

We'll walk through it with you. No scripts, no runaround, just a straight answer by real people who care.

Call **386.300.0303**
or email our local team at

YOUR REGULAR WEEKLY SERVICE

Your standard once-a-week pickup is billed by Columbia County, not by us. It comes through the County the same way it always has. You won't see a charge from Ecowaste for your normal weekly service.

ANYTHING EXTRA

If you add something beyond the basics, an extra cart, twice-a-week pickup, back door service you request, or a bulk item call, Ecowaste bills you directly for that piece.

If a bill from us shows up, it means you asked for something extra, not that anything went wrong.

- **COLUMBIA COUNTY BILLS YOUR WEEKLY SERVICE**
- **ECOWASTE BILLS YOU DIRECTLY FOR REQUESTED EXTRAS**
