A DIVISION OF REED MCDANIEL CONSTRUCTION, INC.

September 15, 2025

To Columbia County Building Department,

I am writing to request a cancelation OR change of permit. We recently submitted a request for a permit under Robert Bailey for metal re-roof of a saw shed. The address is incorrect on permit #54043. The permit should have been collected for Hill & Smith located at 2118 NW CR 252A Lake City, FL, 32055. Mr. Robert Bailey works for Hill & Smith but is not an authorized agent for the company.

Regards,

Paul McDaniel
