## Message:

Good morning, ladies! Per my email from Laurie yesterday afternoon, I am attaching the SubV Form for Touchstone Heating & Air with Mark Touchstone's signature and license number. He will be doing the HVAC work on the Odum residence. In case you didn't see the email from Bryan yesterday, we should've circled "existing" driveway. Also, Bobby Touchton from Touchton and Sons' Painting is supposed to have their Insurance agent send over a current General Liability certificate this morning. Let me know if you need any further information.

Have a blessed day!

  
Robin
