The image shows a close-up of a wooden structure, likely a roof or floor, made of oriented strand board (OSB). A metal channel is visible on the left side, and a large, irregular hole has been made in the wood. A small, rectangular, brown paper label is placed on the wood, with handwritten text in black ink. The label is oriented vertically, and the text is written in a casual, handwritten style. The background shows some debris and a dark, possibly wet, surface.
