IE. Slab Elevation of dwelling under construction on tax Parcel No.23-4S-16-03099-221.

To Whom It May Concern,

A minimum floor elevation of 96.2 feet, the datum is not specified on the plat, was established for the above referenced parcel according to the record plat of "Stonehenge phase 2", Plat Book 8, pages 29 - 30

The elevation of the top of the concrete slab foundation of the main floor of the under construction dwelling is 96.6 feet. The elevation was derived from a benchmark set by Britt Surveying and Mapping, LLC, as per a letter dated 5/28/2020 and signed by L. Scott Britt. The letter states that the benchmark is based on the "plat datum".
