

# PRODUCT APPROVAL SPECIFICATION SHEET

As required by Florida Statute 553.842 and Florida Administrative Code 9B-72, please provide the information and approval numbers on the building components listed below if they will be utilized on the construction project for which you are applying for a building permit. We recommend you contact your local product supplier should you not know the product approval number for any of the applicable listed products.

| Category/Subcategory             | Manufacturer      | Product Description | Approval Number(s) |
|----------------------------------|-------------------|---------------------|--------------------|
| <b>1. EXTERIOR DOORS</b>         |                   |                     |                    |
| A. SWINGING                      |                   |                     |                    |
| B. SLIDING                       |                   |                     |                    |
| C. SECTIONAL                     |                   |                     |                    |
| D. ROLL UP                       |                   |                     |                    |
| E. AUTOMATIC                     |                   |                     |                    |
| F. OTHER                         |                   |                     |                    |
| <b>2. WINDOWS</b>                |                   |                     |                    |
| A. SINGLE HUNG                   |                   |                     |                    |
| B. HORIZONTAL SLIDER             |                   |                     |                    |
| C. CASEMENT                      |                   |                     |                    |
| D. DOUBLE HUNG                   |                   |                     |                    |
| E. FIXED                         |                   |                     |                    |
| F. AWNING                        |                   |                     |                    |
| G. PASS THROUGH                  |                   |                     |                    |
| H. PROJECTED                     |                   |                     |                    |
| I. MULLION                       |                   |                     |                    |
| J. WIND BREAKER                  |                   |                     |                    |
| K. DUAL ACTION                   |                   |                     |                    |
| L. OTHER                         |                   |                     |                    |
| <b>3. PANEL WALL</b>             |                   |                     |                    |
| A. SIDING                        |                   |                     |                    |
| B. SOFFITS                       |                   |                     |                    |
| C. EIFS                          |                   |                     |                    |
| D. STOREFRONTS                   |                   |                     |                    |

The products listed below did not demonstrate product approval at plan review. I understand that at the time of inspection of these products, the following information must be available to the inspector on the jobsite; 1) copy of the product approval, 2) the performance characteristics which the product was tested and certified to comply with, 3) copy of the applicable manufacturers installation requirements. Further, I understand these products may have to be removed if approval cannot be demonstrated during inspection.
