Hey! I spoke with someone today concerning these two parcels. They are all set to be combined as soon as we are back up on our system. We are making no changes right now because of the preparation of the tax roll for the 2021 year. As soon as we get word from Tallahassee, Jeff will either allow us to work in future year OR we will "rollover" to 2022. Until then they stay the same, but do qualify & will be combined as soon as possible.

Hey lady, Can you confirm that these two lots have been back together. Mr. Pack said that he has reached out to you but I just wanted to confirm.

Sincerely,
