Bryan,

The existing driveway that will serve the Glover property does not require any improvements on the F.D.O.T. Right of Way.
If you have any comments or questions please give me a call.

Thanks,

Hi Troy, per our conversation and request below from the building department, we need your approval for the existing driveway to the Glover residence. I have attached their property information. If you have any questions, please let me know.

Thank you
Bryan Zecher
