Melissa,

The old existing driveway meets minimum FDOT standards for a single-family residence and the Department has no objections/concerns for the continued use of the existing driveway as is. Good to go! Please call/email if you have any questions. Thank you.

Good afternoon,

We have received a mobile home application for parcel 01515-000 for Theresa & Richard Stewart. I just wanted to reach out and see if they have reached out to you for approval. Thanks! Have a great weekend!
