re: ELEVATION LETTER – PARCEL 23-35-16-02279-122, LOT 22, TURKEY CREEK UNIT 1, COLUMBIA COUNTY, FL

As requested, I inspected the building site for the proposed construction at the above referenced site. The surveyed elevation of the road at the front of the lot is 157.80. The FFE of the structure is 158.54. Refer to the attached letter by Britt Surveying and Mapping, LLC dated 12/6/21. The finished floor of the home will be less than one foot above the nearest adjacent street.

I certify that the minimum finished floor elevation listed above will protect the structure against water damage from a base flood event, as defined in Article 8 of the Land Development Regulations.

Should you have any questions, please don't hesitate to contact me.

Respectfully,
