RE: Permit Cancellation Request – Permits # 000043569 - 000042201 - 000043809

To Whom It May Concern,

MasTec Network Solutions as contractor on record would like to cancel the above referenced permit due to a tremendous delay in receiving back ordered equipment to complete the proposed work. Verizon has placed this project on hold until further notice. No construction was even started.

A handwritten signature in blue ink, reading "Stanley Maclin", is positioned above the printed name.
