Request to renew expired Columbia County permit

Permit #000041346

NOVEMBER 4TH, 2021

341 NW Auburn Place
Lake City, FL 32055

I'm writing to request Permit #000041346 be reopened.

While under construction, the homeowner requested additional work be added to the project to include baseboard lighting and a towel warmer. Materials for this work were not readily available, and due to that material delay our permit expired before the project could be finished.
