re: ROOF FRAMING – MARY DICKS CARPORT, 196 SW ZEBRA TERRACE, LAKE CITY, FL

Mr. Crews:

I have reviewed the roof framing used for the construction of Mary Dicks' carport. In my professional opinion, the construction meets the minimum requirements set forth in the 2020 Florida Building Code, 7th edition. The change in framing from the approved building plan is satisfactory.

Should you have any questions, please don't hesitate to contact me.
