

Good morning,

For permit #49531 we will be doing a metal roof over using 26 GA. The permit right now has shingles and it needs to be changed to metal roof over. If we could please get that fixed for this permit that would be greatly appreciated. I have also uploaded and attached the product approval sheets for the metal roof over. If there are any questions, please call us at 904-337-0509.

Thank you,
