Hi Guys---

Ms. Greene is calling our office again saying she cannot get her plumbing, hvac, and electrical permits from your office without a compliance letter from us. This is a commercial project and that is why I sent the Development Order attached previously on January 24, 2024. That is the "compliance letter" for commercial projects. We did the same for the Dollar General store.

Thank you.

Connie Brecheen, Town Clerk

Troy/Melissa:

Attached please find the approved Development Order for the project listed above. I spoke with

Ms. Greene yesterday and she says they have engineered plans. I will believe that when I see it. Oh well, we have done our par, so it is now up to you. Thanks for your help.
