GENERAL NOTES

1. The framing shall be installed in accordance with the details shown on this sheet and the details on sheets 21.1 and 24.1.
2. The framing shall be installed in accordance with the details shown on this sheet and the details on sheets 21.1 and 24.1.
3. The framing shall be installed in accordance with the details shown on this sheet and the details on sheets 21.1 and 24.1.
4. The framing shall be installed in accordance with the details shown on this sheet and the details on sheets 21.1 and 24.1.
5. The framing shall be installed in accordance with the details shown on this sheet and the details on sheets 21.1 and 24.1.
6. The framing shall be installed in accordance with the details shown on this sheet and the details on sheets 21.1 and 24.1.
7. The framing shall be installed in accordance with the details shown on this sheet and the details on sheets 21.1 and 24.1.
8. The framing shall be installed in accordance with the details shown on this sheet and the details on sheets 21.1 and 24.1.
9. The framing shall be installed in accordance with the details shown on this sheet and the details on sheets 21.1 and 24.1.
10. The framing shall be installed in accordance with the details shown on this sheet and the details on sheets 21.1 and 24.1.

SECTION NOTES

1. The framing shall be installed in accordance with the details shown on this sheet and the details on sheets 21.1 and 24.1.
2. The framing shall be installed in accordance with the details shown on this sheet and the details on sheets 21.1 and 24.1.
3. The framing shall be installed in accordance with the details shown on this sheet and the details on sheets 21.1 and 24.1.
4. The framing shall be installed in accordance with the details shown on this sheet and the details on sheets 21.1 and 24.1.
5. The framing shall be installed in accordance with the details shown on this sheet and the details on sheets 21.1 and 24.1.
6. The framing shall be installed in accordance with the details shown on this sheet and the details on sheets 21.1 and 24.1.
7. The framing shall be installed in accordance with the details shown on this sheet and the details on sheets 21.1 and 24.1.
8. The framing shall be installed in accordance with the details shown on this sheet and the details on sheets 21.1 and 24.1.
9. The framing shall be installed in accordance with the details shown on this sheet and the details on sheets 21.1 and 24.1.
10. The framing shall be installed in accordance with the details shown on this sheet and the details on sheets 21.1 and 24.1.

ERECTOR'S NOTE

1. The framing shall be installed in accordance with the details shown on this sheet and the details on sheets 21.1 and 24.1.

2. The framing shall be installed in accordance with the details shown on this sheet and the details on sheets 21.1 and 24.1.

3. The framing shall be installed in accordance with the details shown on this sheet and the details on sheets 21.1 and 24.1.

4. The framing shall be installed in accordance with the details shown on this sheet and the details on sheets 21.1 and 24.1.

5. The framing shall be installed in accordance with the details shown on this sheet and the details on sheets 21.1 and 24.1.

6. The framing shall be installed in accordance with the details shown on this sheet and the details on sheets 21.1 and 24.1.

7. The framing shall be installed in accordance with the details shown on this sheet and the details on sheets 21.1 and 24.1.

8. The framing shall be installed in accordance with the details shown on this sheet and the details on sheets 21.1 and 24.1.

9. The framing shall be installed in accordance with the details shown on this sheet and the details on sheets 21.1 and 24.1.

10. The framing shall be installed in accordance with the details shown on this sheet and the details on sheets 21.1 and 24.1.
